Subject: Objection to S62A/2022/0012 Land east of Station, Elsenham.

Please note my objection to the above planning application for the following reasons:

*There is insufficient infrastructure to support the additional traffic that will be caused by the proposed development.

*The proposed development is not sustainable-it is on high productive agricultural land

*The roads around Elsenham leading to the nearest town, Bishop's Stortford, are already gridlocked as there is too much traffic for the narrow country lanes

*the primary school in Elsenham is full

Objection from:
Mrs Candy Chlapik
