Subject: Land to east station, Elsenham

Ref S62a/2022/0012

Dear Sirs

I write to the object to the planning proposal to build yet more houses on the site. The road network is terrible and dangerous leading from the proposed site to the major towns of Stansted and Bishops Stortford via Grove Hill, Lower Street and Chapel Hill. Without a clear 2 way traffic system more traffic will cause even more chaos than currently experienced daily.

Kind regards
Caron Kehoe
