<p>Product Description</p>	<p>A 13-piece wooden musical instrument set, which includes a tambourine, maracas, hand bells and monkey drum.</p>
<p>Country of Origin</p>	<p>Unknown</p>
<p>Counterfeit</p>	<p>No</p>
<p>Risk Type</p>	<p>Chemical</p>
<p>Risk Level</p>	<p>Serious</p>
<p>Risk Description</p>	<p>The product poses a serious chemical risk to consumers as when tested high levels of the substance chromium were identified. Breathing in chromium (VI) for a short period of time causes irritation of the airways, cough and chest pain. If swallowed, it can cause abdominal pain, diarrhoea and heart failure, as well as damaging the gut, liver and kidneys and even death. If skin is in contact with chromium, dermatitis (a rash caused by the skin reacting to a substance it comes into contact with) or skin ulcers may develop if left untreated, and chromic acid can cause burns. Breathing in chromium (III) compounds for a long time causes swelling of the airways and lungs. For further information on chromium, access the following link: https://www.gov.uk/government/publications/chromium-general-information-incident-management-and-toxicology/chromium-general-information</p> <p>The product does not meet the requirements of the Toys (Safety) Regulations 2011</p>
<p>Corrective Measures</p>	<p>OPSS are requiring the recall of the product from the end user.</p>
