## **Report by the Secretary of State on the use of powers under section 70 of the Charities Act 2006**

Section 70 of the Charities Act 2006 (the Act) sets out the powers for Ministers to give financial assistance to charitable, benevolent or philanthropic institutions and requires that payments made under this power are reported.

The funding matched both the aims and objectives of the department. This spending does not represent the total amount of grant funding provided by DCMS to the Voluntary and Community Sector, as many other grants have been paid to this sector under the powers conferred by alternative legislation.

During 2021-22, the department made grant payments totalling £1,031.1m under the provisions of the Act. The amounts of financial assistance provided by the Secretary of State under these powers for 2021-22 are included on page 4 – 12.

During 2020-21, the department made grant payments totalling £1,462.6m under the provisions of the Act. The amounts of financial assistance provided by the Secretary of State under these powers for 2020-21 are included on page 13 – 28.

During 2019-20, the department made grant payments totalling £546.3m under the provisions of the Act. The amounts of financial assistance provided by the Secretary of State under these powers for 2019-20 are included on page 29 – 39.

During 2018-19, the department made grant payments totalling £758.6m under the provisions of the Act. The amounts of financial assistance provided by the Secretary of State under these powers for 2018-19 are included on page 40 – 49.

The table below sets out the financial assistance provided by the Secretary of State under these powers for 2021-22.

<b>Grant recipient</b>	<b>Payments £'000</b>	<b>Description</b>
Arts Council England	867,695	Grant-in-aid funding.
British Film Institute	74,310	Grant-in-aid funding.
Festival 2022 Ltd	32,600	The development, planning, organisation, presentation, management, production, curatorial co-ordination and promotion of Festival 2022 Ltd.
Youth Investment Fund Phase 1 - BBC Children in Need	12,000	YIF Phase 1 spending objective is to improve the effectiveness of youth services in order to drive positive outcomes for young people such as improved health and wellbeing, equipping them with skills for work and life, and empowering them to be active members of their communities and society. YIF Phase 1 will work with left-behind areas in England, assessing and distributing grants for capital proposals which meet the objective of improving the effectiveness of youth services.
The National Lottery Community Fund- Life Chances Fund	9,230	The Life Chances Fund (LCF) is a fund, committed by central government to help people in society who face the most significant barriers to leading happy and productive lives. It provides top up contributions to outcomes-based contracts involving social investment, referred to as Social Impact Bonds (SIBs) in this FAQ. These contracts must be locally commissioned and aim to tackle complex social problems.
Horniman Public Museum and Public Park Trust	4,619	Grant-in-aid funding.
Historic Royal Palaces Maintenance Award	3,151	The purpose of this funding is to enable Arm's Length Bodies to undertake essential maintenance works on their estates, thus preventing further deterioration of these assets, as well as safeguarding people and collections. Public Bodies are eligible to apply for grants to carry out urgent, priority maintenance works which are necessary. HRP grant is for urgent critical maintenance works: 1. Kensington Palaces - King's State Apartments Electrical Re-wiring Programme; 2. Hampton Court Palace - Mains Electrical Infrastructure Replacement Programme; 3. Critical Systems (Tower of London electric supply and all palaces fire alarms).
National Film and Television School	2,360	To contribute general business as usual eligible expenditure itemized in the organizations annual delivery plan provided.
Geffrye Museum	2,106	Grant-in-aid funding.
The National Lottery Community Fund (TNLCF) #iwill	2,000	To deliver the #iwill Fund - a joint investment between DCMS and TNLCF which creates social action opportunities for young people across England.
Voluntary and Community Sector Emergencies Partnership	1,857	The British Red Cross is already subsidising the costs of the VCSEP with its own funding, and will continue to do so alongside Government grant funding. By funding dedicated staff time, we enable the VCSEP staff to focus on delivery of the VCSEP's COVID-19 coordination only, rather than delivering this in a part time capacity alongside their regular charity (British Red Cross and others) work.

<b>Grant recipient</b>	<b>Payments £'000</b>	<b>Description</b>
Rosa UK	1,564	The UK Women's Fund will deliver support to 27,000 women and girls via awarding funding to 80 small women's organisations and 50 medium-large women's organisations.
Youth Workforce	1,153	The overarching strategic goal of this work is to upskill those adults working with young people and support youth sector organisations to ensure safeguarding and quality delivery in community based youth provision. The funds will be invested in sector infrastructure, ensuring the youth sector is supported to meet the needs of young people, particularly those needs caused or exacerbated by the pandemic. It will also encourage a pipeline of qualified youth workers, bolstering numbers of professionals able to support and safeguard young people.
Audio Content Fund Ltd	1,121	The Audio Content Fund, will support a broad range of public service audio content, for all ages, on a wider spectrum of UK radio stations. The Fund aims to create new opportunities for producers to make public service content that adds to viewer and listener choice.
Comic Relief	1,117	Comic Relief's Supporting & Sustaining Specialism project will centre on a competitive, open grants programme for organisations led by ethnic minority women for ethnic minority women to address violence against women and girls in all four nations of the UK. Approximately 15 onward grants of between £40,000 and £250,000 for up to 18 months will be awarded and managed by Comic Relief.
Advancing the Global Partnership on AI's (GPAI) Data Governance research programme in partnership with UK institutions	1,046	Funding to advance GPAI's Data Governance research programme on data justice and data trusts. This grant aims to strengthen collaboration between GPAI, the UK Government and UK research institutions, whilst translating the two projects into practical interventions by partnering with the Open Data Institute, Alan Turing Institute and Cambridge University.
The Greenwich Foundation for the Old Royal Naval College grant funding 2021-22	779	Grant funding to the Greenwich Foundation for The Old Royal Naval College (ORNC) for FY 21/22 in support of the delivery of its core objectives which are to conserve the buildings, interiors and grounds for present and future generations and to provide opportunities for wide and diverse audiences to enjoy and share its significance.
Blavatnik School of Government	750	To conduct research and engagement work to enhance and share evidence on outcomes-based contracting and partnership working.
The Medaille Trust	677	The Moving on Project focuses on meeting the long-term needs of women affected by trafficking and modern slavery. To do this, The Medaille Trust will establish eight new delivery hubs across England, each staffed with experienced caseworkers.
Solace Women's Aid	661	This project aims to ensure that all women have access to the support they need in the spaces most appropriate for them. It will provide joined-up partnership support with the aim of empowering all women across legal and other structures and across urban and rural environments. By developing a Centre of Excellence, with the focus on removing silos across

Grant recipient	Payments £'000	Description
		the three spaces in three nations, Solace Women's Aid will provide a sustainable online space to support women's organisations in the future.
YMCA England and Wales	654	The "Y's Girls Mentoring" project is a community led Mentoring initiative based on Early and Effective Intervention principles. They will identify young people at risk of developing mild to moderate mental health issues and match them with a trained community based volunteer mentor.
NHS Charities Together	624	The Volunteering Futures Fund aims to support high quality volunteering opportunities for young people and people who experience barriers to volunteering in DCMS sectors and across the Voluntary and Community sector.
Addendum to Youth Work Bursary Grant Renewal - National Youth Agency	610	The additional funding for the Youth Worker Bursary Fund will aim to enhance the infrastructure capacity in the sector through Internal Quality Assurance and Assessor Training Qualifications (Level 3 and 4) and a Pilot Leadership and Management Programme.
SafeLives	573	The 'Your Best Friend' project will empower 10,000+ young women with knowledge and confidence to act before someone harms or is harmed, to keep themselves and their friends safe. Activities will be carried out in three complementary waves, with evaluation, analytics and learning shared throughout. The waves are research; test and develop; launch tools and grants programme.
Volunteering Futures Fund - Pears Foundation	550	The Volunteering Futures Fund aims to support high quality volunteering opportunities for young people and people who experience barriers to volunteering in DCMS sectors and across the Voluntary and Community sector.
Ovarian Cancer Action	535	This project will spearhead equal access to clinical excellence for all women with ovarian cancer regardless of where they live, their age or ethnicity. Ovarian Cancer Action will bring together an expert group of partners to award onward grants for best-practice pilots, where they will match the highest-performing centres with the lowest to share learnings and address inequalities in care.
The Federation of London Youth Clubs	496	The programme will support ethnic minority young women aged 10-14, and a cohort of 30+ youth workers. Young women will access high-quality activities in their youth organisation to promote positive mental health and challenge stigma. Meanwhile, youth workers will be up-skilled through training and peer support, so they can better support young women.
Beat (formerly Eating Disorders Association)	483	To provide better health outcomes through their carers for girls and young women suffering from eating disorders.
Standing Together Against Domestic Abuse	480	This project will fund both IDVAs and Coordination in the Mentor Court areas to support the CJS response and embed the SDAC model. This will also support a national mapping and capacity building exercise to enable the SDAC model to roll out across the country.
Women in Prison	462	The Creating Community Connections project connects prisons and women in prison to a network of local women's centres to aid resettlement and

Grant recipient	Payments £'000	Description
		engagement with holistic support to meet women's needs, address root causes of offending, improve outcomes on release and intercept cycles of trauma, disadvantage and abuse.
UK Safer Internet Centre	318	The UK Government has committed to legislating via the Online Safety Bill to make the UK the safest place in the world to go online and to protect children from online abuse and harms. Before the legislation is in effect, this will support activities that improve children's safety online, including activities to improve media literacy amongst young people, research, training and a helpline for those working with children and reducing the availability of harmful content for target audiences.
St Giles Trust	307	To enable disadvantaged women to create positive change for themselves and other women in their communities. We will work with local women's organisations in 3 priority areas to test if a lived experience, Community Champions model at grassroots level has impact and provides solutions to social, economic, and digital exclusion.
National Youth Agency Census Grant	285	The purpose of this grant is to support the National Youth Agency to deliver the youth sector census, through part-funding the project and contains 2 elements: Building an online, open access platform for self-reporting and mapping the youth sector provision; Delivering 6 deep dives in different archetype locations, across the country, to be agreed with DCMS.
Best Beginnings and White Ribbon Alliance UK	278	Safer Beginnings aims to improve maternity outcomes and the postpartum safety of 70,950 women of whom 13,350 are women from ethnic minority communities in England, Wales and Scotland by 2023, by developing specialist information, services and interventions that enable self-advocacy in maternal safety from obstetric and domestic abuse/violence and FGM/FGC.
Trevi	271	This project - Spark, provides a myriad of mechanisms to prevent violence towards women and girls: from educational prevention work in schools (addressing attitudes, pyramid of violence, out-of-hours support and access to safe, secure, women only accommodation.
Tampon Tax Fund- Women in Sport	271	To breakdown entrenched barriers to healthy, happy and active lives through a supportive eco-system of 'Big Sister' peers and coaches mobilising participation in sport for young women and girls. Targeting those areas characterised by deprivation, our aim is ensuring no one is excluded from the lifelong empowerment of physical activity.
UK Youth Parliament and associate programmes grant	234	To promote and embed UK Youth Voice in Policy Making. To promote and support UK wide engagement in political and parliamentary processes, including through running UK Youth Parliament and Make Your Mark Ballot.
Chatham Historic Dockyard grant funding	196	Grant funding to Chatham Historic Dockyard Trust for FY 21-22 in support of the delivery of its core objectives which are to preserve and study the Historic Dockyard, its buildings, ships and collections, and to deliver exhibits and education services.

Grant recipient	Payments £'000	Description
Tech Talent Charter	191	The grant will move Tech Talent Charter into its third phase of development, ensuring it is a fast scaling, sustainable organisation working in partnership both with major employers but also key organisations across the D&I space, across the talent pipeline and across all lenses of underrepresentation.
Youth Civic Journey Research Project	189	To deliver the Youth Civic Journey research project, which will generate specific insights related to volunteering, focusing on identifying the key factors influencing take up, withdrawal and momentum in volunteering for young people. It will also capture the synergies and interoperability between volunteering and other aspects of the youth civic journey, supporting the Youth team's evidence base around youth volunteering.
Tampon Tax Fund- The Big Give Trust	160	The grant will help raise £5m for the Women & Girls sector through two match funding campaigns whilst increasing the resilience, skills and profile of Women & Girls charities. The project will also help to create a long-term philanthropic legacy for giving to Women & Girls organisations.
Tampon Tax Fund- South West Grid for Learning Trust	158	To fund an AI tool designed to support W&G who are victims of intimate image abuse. The tool will give information about the types of abuse suffered (on and offline), give tools to remove intimate content, report crimes and regain hacked accounts. Information about the types of abuse will be used in the future with support organisations to reduce PTSD and other mental health issues.
Memorials Grant Scheme	150	A fund to reimburse VAT on works done on national memorials of importance.
The Platinum Jubilee Pageant Limited	150	To cover the essential start- up costs incurred by the delivery organisation enabling the organisation to commence the integral fundraising process early in the next financial year. Allow the delivery organisation to build capacity to fundraise and generate philanthropic support. Enable the delivery organisation to use own funds, once raised, to support itself in delivering a large scale public event for the bank holiday weekend, maximising the time for the development of plans to mark the Her Majesty The Queen's Platinum Jubilee.
Imkaan	137	To deliver onward grants to specialist Black minoritised women's organisations working to end violence against women and girls to support their frontline operational and long-term sustainability work in ways that elevates and empowers them through social value-based grant making considering intersectional needs and social justice aims.
University of Bath- Institute of Coding	108	Delivery of Initial Industrial AI Masters cohort 2019/20.
Tampon Tax Fund- AVA (Against Violence and Abuse)	102	To ensure that VAWG (Violence Against Women and Girls) survivors have access to high quality trauma informed support to help them rebuild their lives after abuse, through supporting specialist women's organisations to build and demonstrate a consistent, survivor led, holistic trauma informed approach.

<b>Grant recipient</b>	<b>Payments £'000</b>	<b>Description</b>
National Literacy Trust	100	Game Changers was developed in response to demand from Pupil Referral Units (PRUs) requesting a more tailored offer, which supported their pupil's deep feelings of exclusion. Game Changers: Trailblazing Women uses the excitement and passion of sport to inspire and motivate excluded girls who have experienced violence and trauma, to develop their communication skills, improve their confidence and resilience, enabling them to make better choices with stronger relationships for safer futures.
Devon Air Ambulance Trust	90	The grant is a contribution towards the costs of undertaking the professional installation and commissioning of equipment to allow Air Ambulances to operate at night in Devon.
Centre for Youth Impact	89	To embed the use of evidence and increase understanding of impact measurement across the youth sector.
Media Literacy Train the Trainer Grant Scheme- Economist Educational Foundation	76	This grant will be used to support this organisation to adapt their media literacy resources to be tailored for schools and teachers working with children with SEND (special educational needs and disabilities). This supports the DCMS Online Media Literacy Strategy objectives to improve access to media literacy resources for audiences who are vulnerable online.
Tampon Tax Fund- The Central Jewish Fund for World Jewish Relief	73	Step Forward will address key barriers to integration specific to women refugees in line with the Home Office's Integration Framework. Through this holistic, tailored programme, women refugees will be empowered to gain independence, make informed decisions, improve health outcomes, and move towards employment, and a fully integrated life in Britain.
The Alan Turing Institute	70	Grant to contribute to the development of an online platform to deliver free training to companies executives/ managers in data science
Media Literacy Train the Trainer Grant Scheme- Parent and Family Consulting Ltd	65	This grant will be used to support this organisation to adapt their media literacy resources to be tailored for schools and teachers working with children with SEND (special educational needs and disabilities). This supports the DCMS Online Media Literacy Strategy objectives to improve access to media literacy resources for audiences who are vulnerable online.
Tommy's 21/22	60	Our project aims to tackle the unjust miscarriage inequalities facing disadvantaged and underrepresented women across England. By supporting them with personalised advice and empowering them to advocate for their own care, we will give these groups equity in access to care, otherwise unavailable, and reduce their risk of miscarriage.
Media Literacy Train the Trainer Grant Scheme- Media Smart UK	58	This grant will be used to support this organisation to adapt their media literacy resources to be tailored for schools and teachers working with children with SEND (special educational needs and disabilities). This supports the DCMS Online Media Literacy Strategy objectives to improve access to media literacy resources for audiences who are vulnerable online.

<b>Grant recipient</b>	<b>Payments £'000</b>	<b>Description</b>
Youth Engagement Grant	58	The key objective of the Youth Engagement grant is to support young people across England to participate in the development of policy affecting them, enabling more young people to have their voices heard and participate in decision making on a national policy level. DCMS remains committed to funding this important programme, enabling young people to express their voices and be heard on issues that matter to them. This programme continues to represent a key mechanism for supporting meaningful engagement between young people and decision makers at all levels.
Creative Good Work Strategy - Nesta	50	The objectives of the independent review will be to: Establish a robust baseline picture of job quality; Identify the key challenges and opportunities for promoting quality work; Set out a vision for Good Work in the Creative Industries and articulate a set of high-level priorities and detailed policy recommendations for Government and industry.
Loneliness Engagement Fund - RNIB	50	Create new content on loneliness signposting towards support services and sharing experiences. Develop resources to support volunteers to engage with their networks on loneliness. Identify gaps in existing resources and create new resources to fill gaps. This will help to reduce stigma around loneliness and support the target group to take action to help themselves and others.
Loneliness Engagement Fund - Mencap	45	Conduct research into the experiences of people with learning disabilities in the pandemic in terms of their mental health and their perceptions of loneliness to inform their 2022 mental health campaign. This will help to reduce stigma around loneliness and support the target group to take action to help themselves and others.
British Youth Council	42	A grant to continue supporting young people to be involved in policy development across government, through co-creation, inspections, consultation and advisory approaches as part of the Youth Steering Group and The Young Inspectors.
Comic Relief	37	This project aims to invest in projects working to end VAWG particularly those who are more at risk due to multiple and complex needs.
Loneliness Engagement Grant - Jo Cox Foundation	34	As part of the Great Winter Get Together campaign, Jo Cox Foundation will carry out content testing, create a toolkit, and conduct research to improve the campaign's reach amongst 16-24 year olds. This will help to reduce stigma around loneliness and support the target group to take action to help themselves and others.
Alan Turing Institute	30	Project 1: AI Regulation - To scope and build a work programme that will develop the UK's regulators' AI capabilities. This meets a longstanding government commitment. Project 2: AI Ethics Guide - To iterate existing public sector ethics guidance for the use of AI with a view to making it more practicable.
Loneliness Engagement Fund - National Autistic Society	30	Develop new content on autism and loneliness to support a loneliness campaign on social media. This

Grant recipient	Payments £'000	Description
		will help to reduce stigma around loneliness and support the target group to take action to help themselves and others.
Media Literacy Train the Trainer Grant Scheme - The Student View	29	This grant will be used to support this organisation to adapt their media literacy resources to be tailored for schools and teachers working with children with SEND (special educational needs and disabilities). This supports the DCMS Online Media Literacy Strategy objectives to improve access to media literacy resources for audiences who are vulnerable online.
Media Literacy Train the Trainer Grant Scheme- The Guardian Foundation	28	This grant will be used to support this organisation to adapt their media literacy resources to be tailored for schools and teachers working with children with SEND (special educational needs and disabilities). This supports the DCMS Online Media Literacy Strategy objectives to improve access to media literacy resources for audiences who are vulnerable online.
Digital Boost: Boosting Digital Capability of SMEs and Charities	27	Funding to support the additional development costs of the Digital Boost platform until June 2021. This funding will allow the Digital Boost platform to further help small and micro businesses and charities across the UK improve their digital capability free of charge and build an online presence.
Loneliness Engagement Fund - Made by Mortals	25	Co-create podcasts, an activity pack and online workshops with people with lived experience of loneliness (targeting people with mental health issues, living alone, and disabilities) to reduce loneliness through creative activities and share real stories. This will help to reduce stigma around loneliness and support the target group to take action to help themselves and others.
ScreenSkills	25	To enable ScreenSkills to offer apprenticeships in film and HETV to a cohort of 20, providing high quality placements and recruiting from diverse groups currently underrepresented in the industry.
Loneliness Engagement Fund - National Youth Theatre	23	Develop creative work about loneliness with young people at risk of loneliness and share it with a wider audience across existing channels. This will help to reduce stigma around loneliness and support the target group to take action to help themselves and others.
Loneliness Engagement Fund - British Deaf Association	21	Deliver 4 live-streamed events, 3 videos and 14 information sessions in BSL to raise awareness of loneliness and support options within the deaf community. This will help to reduce stigma around loneliness and support the target group to take action to help themselves and others.
Pete's Dragons	20	In collaboration with emergency services the charity will develop sustainable organisational capacity to help staff at risk of suicide and train Suicide First Aid lead trainers to provide training across emergency services.
Media Literacy Upskilling Library Workers	20	This grant forms part of the Online Media Literacy Strategy which aims to support the media literacy sector to empower users to be safe online, with a particular focus on vulnerable and hard-to-reach users. This grant will allow Libraries Connected to create and deliver a training module to train library workers in media literacy so that they are able to support the

<b>Grant recipient</b>	<b>Payments £'000</b>	<b>Description</b>
		people who use their libraries with to keep themselves safe online.
Loneliness Engagement Fund - Shift.MS	20	Conduct research to understand the triggers of loneliness for people with MS, to inform a report with findings disseminated across sector and engaging digital content shared on social media. This will help to reduce stigma around loneliness and support the target group to take action to help themselves and others.
Media Literacy Upskilling Youth Workers	18	This grant forms part of the Online Media Literacy Strategy which aims to support the media literacy sector to empower users to be safe online, with a particular focus on vulnerable and hard-to-reach users. This grant will allow National Youth Association (NYA) to create and deliver a training module as part of their youth work curriculum to train youth workers in media literacy so that they are able to support the young people they work with to keep themselves safe online.
Loneliness Engagement Fund - Gaydio	17	Deliver online podcasts and audio packages exploring LGBTQ+ loneliness. This will help to reduce stigma around loneliness and support the target group to take action to help themselves and others.
Community Media Association	15	To support a number of initiatives led by the Community Media Association to help community radio stations take advantage of the opportunities offered by small-scale digital audio broadcasting (SSDAB).
The Poetry Society	15	To ensure that DCMS, as the Government department for supporting culture in the UK, can provide support to the Poet Laureate, via a host organisation, so they are able to undertake activities and projects suited to the role as they see fit.
Grant for research into market readiness of privacy enhancing technologies	10	This grant will fund research to identify the challenges, barriers, and limitations of adopting privacy-enhancing technologies. This will enable greater, trustworthy data sharing that will drive innovation across the economy, in line with Mission 1 of the National Data Strategy.

The table below sets out the financial assistance provided by the Secretary of State under these powers for 2020-21.

<b>Grant recipient</b>	<b>Payments £'000</b>	<b>Description</b>
Arts Council England	1,048,602	Grant-in-aid funding.
TNLCF	188,176	The fund aims to: 1) To reduce closures of essential charities that provide essential services to vulnerable groups during the COVID-19 crisis by ensuring they have the financial resources to operate, thereby reducing the burden on public services.  2) To ensure essential services are provided to vulnerable people, both in the short and long term through increased community support through the work of charitable organisations.
British Film Institute	53,992	Grant-in-aid funding.
Charities Aid Foundation	19,792	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
National Emergency Trust	18,600	To provide a match fund grant to the National Emergencies Trust for onward grant to the UK Community Foundation an umbrella organisation to provide to its 50 UK Partner organisations to disburse to voluntary and community organisations responding to the needs of their communities' affected by the COVID-19 crisis.
Youth Sector Fund (multiple recipients)	12,581	To mitigate the impact of lost income in the Youth Sector during the winter period due to the coronavirus pandemic, and ensure services providing vital support can remain viable.
Steve Morgan Foundation	10,000	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
Comic Relief	7,900	To provide a match fund grant to Comic Relief for onward distribution to voluntary and community organisations, to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
Children In Need	7,900	To provide a match fund grant to BBC Children in Need (CiN) to disburse monies to voluntary and community organisations across the UK who are responding to the needs of their communities affected by the COVID-19 crisis.
Festival 2022 Ltd.	7,402	The development, planning, organisation, presentation, management, production, curatorial co-ordination and promotion of Festival 2022.
The OnSide Foundation	6,000	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.

<b>Grant recipient</b>	<b>Payments £'000</b>	<b>Description</b>
Pears Foundation	5,500	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
The National Lottery Community Fund- Life Chances Fund	5,380	The Life Chances Fund is a Social Impact Bond (SIB) top-up fund, encouraging commissioners to use SIBs in the pursuit of improve outcomes for those who need help the most.
Rank Foundation	5,000	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
Comic Relief	5,000	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
Lloyds Bank Foundation	4,964	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
Horniman Public Museum and Public Park Trust	4,661	Grant-in-aid funding.
The National Lottery Community Fund - I will fund	4,645	The #iwill Fund aims works in partnership with major funders to create new opportunities for young people to participate in social action.
Voluntary and Community Sector Emergencies Partnership	4,405	The British Red Cross is already subsidising the costs of the VCSEP with its own funding, and will continue to do so alongside Government grant funding. Funding from DCMS is critical in enabling the VCSEP to scale up its response to the COVID-19 pandemic, providing vital coordination and support to a wider network of charities and communities on the ground. By funding dedicated staff time, we enable the VCSEP staff to focus on delivery of the VCSEP's COVID-19 coordination only, rather than delivering this in a part time capacity alongside their regular charity (British Red Cross and others) work. This will facilitate a much more effective and efficient response which is necessary in the face of a fast-moving emergency.
Church Revitalisation Trust	4,000	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.

<b>Grant recipient</b>	<b>Payments £'000</b>	<b>Description</b>
UK Community Foundations	2,500	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
Digital Lifeline - Digital Inclusion for Disabled People - Good Things Foundation	2,500	The Digital Lifeline Fund's aim is to reduce the digital exclusion of people with learning disabilities, who have been disproportionately impacted by Covid-19. The grant will be allocated to Good Things Foundation, a leading digital inclusion charity. This emergency funding will provide devices, data and digital support to support people with learning disabilities stay well and connected, and help mitigate the disproportionate impact of Covid-19. The grant will be paid at point of need and in arrears.
Stefanou Foundation,	2,439	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
National Film and Television School	2,360	To contribute to eligible expenditure itemized in the organizations annual delivery plan.
Smallwood Trust	2,100	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
Vardy Foundation	2,000	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
The Henry Smith Charity	2,000	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
Local Connections Fund (Loneliness Microgrants) -The National Lottery Community Fund	2,000	Grant funding to help tackle loneliness in England working with specific target groups and aligning with cross Government objectives to add to the evidence base and encourage partnership working.
Geffrye Museum	1,889	Grant-in-aid funding.
Audio Content Fund Ltd	1,802	The Audio Content Fund, will support a broad range of public service audio content, for all ages, on a wider spectrum of UK radio stations. The Fund aims to create new opportunities for producers to make public service content that adds to viewer and listener choice.

<b>Grant recipient</b>	<b>Payments £'000</b>	<b>Description</b>
Global Charities	1,500	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
Police Treatment Centres	1,500	To expand the Police Treatment Centre in Harrogate, providing increased Psychological Wellbeing support to the Police and other Emergency Services personnel.
National Youth Agency	1,400	To ensure the youth worker qualifications and curriculum remain current.
Founders Pledge	1,310	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
English Football League	1,310	The English Football League Trust will receive funding to make onward grants to its Football Club Community Organisations in 32 deprived locations across England, with the aim of connecting more older people at risk of loneliness. Activities include befriending phone calls, online social groups, a pen-pal scheme, social action from young people taking part in the National Citizen Service and socially distanced 'garden gate' conversations.
Localgiving Foundation	1,000	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
The Greggs Foundation	1,000	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
The Coalfields Regeneration Trust	1,000	This project has been funded as part of the Community Match Challenge, which aims to provide a match fund grant to philanthropists, foundations and grant making organisations for onward distribution to voluntary and community organisations to respond to the needs of the most vulnerable and marginalised people affected by the COVID-19 crisis.
Nesta	951	The grant will run a Challenge Prize until the end of March 2020. The Challenge Prize aims to stimulate tech innovation in civil society organisations by challenging charities, social ventures and social enterprises to design solutions to specific problems. The prize will also tackle loneliness and social isolation, and build community cohesion.
SSAFA	950	The Soldiers, Sailors, Airmen And Families Association - Forces Help (SSAFA) will use funding to support veterans experiencing loneliness and their families across the UK. The funding will support a new socially-distanced visiting service,

Grant recipient	Payments £'000	Description
		expansion of telephone helpline, a one-to-one mentoring service and targeted activities for groups more at risk of loneliness.
Spirit of 2012	864	To fund, co-create and evaluate projects that engage girls and women with caring responsibilities in music-making to reduce loneliness. This is achieved through connection to others with shared experiences, improve wellbeing through creative musical expression, challenge and change gendered perceptions of caring and identify and share best practice by 'testing and learning' new approaches.
Homeless Link	862	The project aims to provide direct support to women who are, or are at risk of, homelessness across England. This is achieved by producing and disseminating evidence-based learning and resources to homelessness and women's services, supporting them to deliver collaborative gender and trauma-informed solutions to supporting women out of homelessness.
Old Royal Naval College Greenwich	779	The grant will be used towards the conservation, presentation and interpretation of the collection of buildings, paintings and other artefacts set out across the Old Royal Naval College site.
Home-Start uK	750	The grant for Home-Start UK will help them provide onward grants to local Home Starts to support new mums at risk of loneliness. Their service will include regular telephone calls, online groups to connect families with each other and working with local partners to support crisis response.
RNIB	750	The Royal National Institute of Blind People has received funding to further support blind and partially sighted people through adapting and expanding telephone groups, online resources and piloting socially-distanced face to face support.
Arts and Humanities Research Council (AHRC)	750	The aim of this Project is to support the scoping and piloting of a new cultural heritage protection workstream focused on the impacts of natural disasters and climate change on cultural heritage in developing countries.
GamCare	717	To facilitate help-seeking by the most vulnerable women and girls affected by problem gambling to create a step change in levels of support and to provide an evidence base for the links between gambling and domestic abuse.
Alzheimer's Society	700	The grant will go to the Alzheimer's Society who will continue to support people with dementia and their carers through welfare and companion calls to support their wellbeing and provide informal chats and weekly 'singing for the brain' sessions - vocal exercises that help improve brain activity and well-being.
Mind	700	The grant will be allocated to Mind who will make onward grants to local groups to provide mental health support for older people, new parents, those who are disabled, digitally excluded and young people. This will include listening, befriending and wellbeing support services targeting these groups.
Carers Trust	650	The Carers Trust will receive funding to make onward grants to local charities in their network.
British Red Cross	610	The grant will support young people, ethnic minority communities, refugees, the digitally excluded and people more at risk of loneliness because of their health issues. It will enable them to expand their connecting communities work, with a focus on virtual group activities and 1:1 support

Grant recipient	Payments £'000	Description
		to digitally excluded people, helping to get them online. People living in Durham, Barking and Dagenham, Stockport and Plymouth will be among the first to benefit.
Changing Lives	608	To provide trauma-informed support for vulnerable women who have been groomed by groups of men for sexual exploitation in locations across the North East and Yorkshire.
Crisis UK	595	To gather UK-wide data to understand the links between female homelessness and modern slavery. Subsequently, to develop a model for the identification, support, recovery, accommodation and integration of women who have escaped modern slavery and who are homeless or precariously housed.
National Youth Agency	586	To administer around 450 financial bursaries to students undertaking youth work qualifications.
Southall Black Sisters	505	Make effective/essential support/protections available to abused No Recourse to Public Funds (NRPF) women by providing safe accommodation, subsistence and respond to emerging new issues through holistic intervention including counselling/therapy, immigration advice, community awareness-raising.
Youth Access	501	To tackle rising mental health need amongst young women aged 16-25 by increasing access to high quality, gender-informed, young person-centred services in local communities, including targeted access through Youth Information, Advice and Counselling Services (YIACS) to psychological therapies, advice and groupwork interventions, particularly for those from ethnic minority backgrounds and/or with experience of violence or insecure housing.
Impact Investing Institute	500	The Impact Investing Institute is being set up in FY 2019/20 and this grant will act as cornerstone funding leveraging further co-funding from Department for International Development (DfID) and others to deliver the institute's 3-year business plan. The objective of the Institute is to "accelerate the growth and improve the effectiveness of the UK impact investing market, by mobilising more capital that contributes to solving social challenges".
Memorials Grant Scheme - Various	500	Scheme to reimburse VAT charges for Memorial repairs.
Sense	500	To support blind and partially sighted people through adapting and expanding telephone groups, online resources and piloting socially-distanced face to face support.
Key Fund Investments	472	The grant is to be used for onward social impact investment in cultural and creative organisations in the North of England.
The Ambulance Staff Charity (TASC)	407	The charity will establish: post-traumatic stress disorder (PTSD) rehabilitation services complementing existing physical rehabilitation services; the means to take TASC on the road to promote the support services available, membership and raise public awareness; and sustainable income from supporters in the ambulance services and their families.
National Youth Agency	300	To administer financial bursaries to students undertaking youth work qualifications.
Step Up To Serve	300	The #iwill campaign is a UK-wide, time limited campaign that aims to make social action part of life for all young people aged 10-20. The campaign aims to increase participation in meaningful social action, reduce the socio-economic gap in those taking part and create sustainable change for young people, their communities and wider society.

<b>Grant recipient</b>	<b>Payments £'000</b>	<b>Description</b>
Comic Relief (3rd TTF grant)	291	This project aims to invest in projects working to end VAWG particularly those who are more at risk due to multiple and complex needs.
British Red Cross Society	262	The proceeds from LIBOR fines are used to support Armed Forces and Emergency Services charities and other related good causes that represent those that demonstrate the very best of values.
British Youth Council	233	To support young people to engage in the democratic process and to get their voices heard at all levels of Government, by contributing to British Youth Council's (BYC) programme of work that delivers: The UK Youth Parliament (including the Summer Sitting and the Annual Sitting in the House of Commons); The Make Your Mark Ballot (including the Make Your Mark report); The Youth Select Committee (including the Youth Select Committee report); and (on hold due to Covid-19) Training conventions for young representatives and participants (e.g Members of Youth Parliament).
Devon Air Ambulance Trust	223	The grant is a contribution towards the costs of undertaking the professional installation and commissioning of equipment to allow Air Ambulances to operate at night in Devon.
Chatham Historic Dockyard Trust	196	The grant will be used towards the preservation, conservation and maintenance of the Historic Dockyard, its buildings, ships and collections.
The Young Foundation	196	Funding for a scale up programme that supports the growth of social innovators with proven solutions to social challenges.
Tech Talent Charter CIC	190	Funding to ensure Diversity & Inclusion remains at the heart of post-Covid recovery, particularly in the areas of retraining and career conversion. Increase engagement through accelerated growth of a digital first model, with deeper online engagement through virtual events content, communications and our TTC Toolkit.
Solace Women's Aid	179	This project aims to ensure that all women have access to the support they need in the spaces most appropriate for them. It will provide joined-up partnership support with the aim of empowering all women across legal and other structures and across urban and rural environments. By developing a Centre of Excellence, with the focus on removing silos across the three spaces in three nations, Solace Women's Aid will provide a sustainable online space to support women's organisations in the future.
SafeLives	171	The 'Your Best Friend' project will empower 10,000+ young women with knowledge and confidence to act before someone harms or is harmed, to keep themselves and their friends safe. Activities will be carried out in three complementary waves, with evaluation, analytics and learning shared throughout. The waves are research; test and develop; launch tools and grants programme.
Federation of London Youth Clubs (aka. London Youth)	140	The programme will support ethnic minority young women aged 10-14, and a cohort of 30+ youth workers. Young women will access high-quality activities in their youth organisation to promote positive mental health and challenge stigma. Meanwhile, youth workers will be up-skilled through training and peer support, so they can better support young women.

<b>Grant recipient</b>	<b>Payments £'000</b>	<b>Description</b>
University of Bath- Institute of Coding	130	Increase growth in provision of UK AI Masters through industry sponsorship and collaboration with UK universities.
University of Bath- Institute of Coding	122	Increase growth in provision of UK AI Masters through industry sponsorship and collaboration with UK universities.
The Medaille Trust	102	The Moving on Project focuses on meeting the long-term needs of women affected by trafficking and modern slavery. To do this, The Medaille Trust will establish eight new delivery hubs across England, each staffed with experienced caseworkers.
British Youth Council	100	A grant to continue supporting young people to be involved in policy development across government, through co-creation, inspections, consultation and advisory approaches as part of the Youth Steering Group and The Young Inspectors.
Impact Investing Institute	100	The grant will fund a collaborative research project on the potential to mobilise greater flows of institutional investment into place-based impact investment (PBII), which delivers both financial returns and positive impacts for communities afflicted by long-term under-investment. This will result in a white paper which raises awareness, addresses the barriers and increases confidence in place-based impact investing. It will also aim to develop a standardised approach to PBII impact measurement and reporting that is taken forward for widespread consultation and adoption.
British Youth Council	100	To meet the youth voice commitments in the Civil Society Strategy, by setting up and running the Civil Society Youth Steering Group and national Young Inspectors and Commissioners Group and to undertake youth-led research into options for a digital solution to engage young people in national policy making.
Social Investment Business	99	The Equality Impact Investing Project aims to make the social impact investing sector better at addressing inequality through supporting investors, infrastructure organisations, policy makers and equality sector organisations to reform policies and processes to set, measure and deliver equality goals.
Turing Institute	70	Grant to contribute to the development of an online platform to deliver free training to companies executives/ managers in data science.
YMCA England and Wales	63	The "Y's Girls Mentoring" project is a community led Mentoring initiative based on Early and Effective Intervention principles. They will identify young people at risk of developing mild to moderate mental health issues and match them with a trained community based volunteer mentor.
The Platinum Jubilee Pageant Limited	48	To cover the essential start- up costs incurred by the delivery organisation enabling the organisation to commence the integral fundraising process early in the next financial year. Allow the delivery organisation to build capacity to fundraise and generate philanthropic support. Enable the delivery organisation to use own funds, once raised, to support itself in delivering a large scale public event for the bank holiday weekend, maximising the time for the development of plans to mark the Her Majesty The Queen's Platinum Jubilee.
Regenerate Trust	40	The aim is to support ReGenerate to carry out and publish research on systemic reforms to help social entrepreneurs to scale and have more impact, building demand for impact investment to match wider departmental goals.

<b>Grant recipient</b>	<b>Payments £'000</b>	<b>Description</b>
Alan Turing Institute	30	Project 1: AI Regulation - To scope and build a work programme that will develop the UK's regulators' AI capabilities. This meets a longstanding government commitment. Project 2: AI Ethics Guide - To iterate existing public sector ethics guidance for the use of AI with a view to making it more practicable.
Youth Sports Trust	26	The purpose of the Tampon Tax Fund is to allocate the funds generated from the VAT on sanitary products to projects that improve the lives of disadvantaged women and girls.
Jo Cox Foundation	25	Support the Jo Cox Foundation (JCF) to undertake communications activity that will support the objectives of the Let's Talk Loneliness campaign at a critical time over winter during Covid-19, and looking forward to 2021-22. These grants will support JCF to amplify the conversation around loneliness in the immediate term, and carry out focussed sessions to upskill community organisers on loneliness. This will support our wider efforts to reduce stigma, raise awareness of the importance of social connections, and encourage people to take action.
The National Lottery Community Fund	23	The grant will enable TNLCF, through an external provider, to carry out a review into the operational health and long term sustainability of business models for projects funded by the Life Chances Fund. The review's recommendations will allow DCMS to ensure the support provided by DCMS and TNLCF is targeted appropriately.
Cyber Cheltenham Cic (Cynam)	20	This grant will allow DCMS to run a pilot activity with the Cheltenham Cyber Cluster (Cynam) ahead of a larger roll out of cyber cluster funding in FY 21/22. The Cheltenham cyber cluster will undertake work to formalise the governance of the UK cyber clusters and the relationship between the clusters and government.
Co-Op Foundation	20	To support the Co-op Foundation to undertake communications activity that will support the objectives of the Let's Talk Loneliness campaign at a critical time over winter during Covid-19, and looking forward to 2021-22. The Co-Op Foundation will undertake research and strategy development activity to inform future campaign activity. This will support our wider efforts to reduce stigma, raise awareness of the importance of social connections, and encourage people to take action.
Child Bereavement UK	17	Deliver a bereavement education programme to air ambulance crews over three years.
Community Media Association	15	To support a number of initiatives led by the Community Media Association to help community radio stations take advantage of the opportunities offered by small-scale digital audio broadcasting (SSDAB).
The Poetry Society	11	Funding to provide support to the Poet Laureate, via the Poetry Society so they are able to undertake activities and projects suited to the role as they see fit.
UK Community Foundations (2nd TTF grant)	9	To make grants across the UK that benefit women and girls, investing in a wide variety of projects, large and small, that make a tangible and long-term difference to health, well-being, confidence and social/economic activity.
Comic Relief (4th TTF grant)	9	Comic Relief's Supporting & Sustaining Specialism project will centre on a competitive, open grants programme for organisations led by ethnic minority women for ethnic minority women to address violence against women and girls in all four nations of the UK. Approximately 15 onward grants

Grant recipient	Payments £'000	Description
		of between £40,000 and £250,000 for up to 18 months will be awarded and managed by Comic Relief.
Dynamo North East CIC	5	This £5,000 pilot will explore ways in which Cyber Security Clusters can support the development of cyber skills in the local workforce of the region in which they operate. The pilot activity will be run out of the NE Dynamo Cluster.

DotEveryone	31	To enable DotEveryone to conduct discovery phase research into the needs of SMEs and civil society organisations in the online harms ecosystem, focusing on redress and digital rights.
The Guide Dogs for the Blind Association	30	Plan to expand the Guide Dogs' Digital Transformation programme to digitally upskill their trustees and senior leadership. Includes e-learning and face to face workshops. Will enable Guide Dogs to provide meaningful digital services to 500,000 visually-impaired citizens, which leaders currently lack expertise to do.
Kensington and Chelsea Citizens Advice	30	Assist with Citizens Advice funding post Grenfell disaster.
Stepping Out Foundation	30	Grant recipient (Stepping Out Foundation) will receive funding, which in turn will be used to fund a research piece that is being carried out by an organisation who Stepping Out are being incubated. The research piece will focus on the public's views on purpose-driven business and the role that it can play in society. It is expected that by funding this piece, the case for championing purpose-driven business will be strengthened, and the Government will gain a clearer understanding as to how their messaging in this area will be more attuned to the views of the public.
Chatham Historic Dockyard	30	Towards the preservation, conservation and maintenance of the Historic Dockyard, its buildings, ships and collections.

<b>Grant recipient</b>	<b>Payments £'000</b>	<b>Description</b>
People's History Museum	25	The DCMS/Wolfson Museums and Galleries Improvement Fund supports national and regional museums across England to improve the quality of displays, enhance exhibition spaces and public access, and increase awareness of their collections.
YouthFed	24	The Cyber Skills Immediate Impact Fund pilot aims to increase the diversity and numbers of those working in the UK's booming cyber security sector.
UK Community Foundations	20	To cover UKCF's staffing costs to administer the Revitalising Trusts programme.
Newcastle University Ways to Wellness	18	Assessment of Ways to Wellness Campaign.
Child Bereavement UK	16	Deliver a bereavement education programme to air ambulance crews over three years.
Big Society Capital	14	The objective of this grant will be to raise awareness of SITR (Social Investment Tax Relief) with investors and organisations; provide guidance and materials to help organisations and investors access the scheme; and to improve the understanding of SITR and its uses among Independent financial advisors and wealth managers.
Big Society Capital	8	The objective of this grant will be to raise awareness of SITR (Social Investment Tax Relief) with investors and organisations; provide guidance and materials to help organisations and investors access the scheme; and to improve the understanding of SITR and its uses among Independent financial advisors and wealth managers.
Media Trust	6	Media Trust's Digital Skills programme is free to charities. Funding from Google.org and Marketing Trust enables Media Trust to provide this for free, ensuring it is accessible to charities regardless of their size and income.
The Alan Turing Institute	5	Run a project to develop an online tool designed to help SMEs develop their data science capabilities.
Good Things Foundation	5	The grant will fund 0.5FTE work for the LDSP Delivery Group by a digital inclusion officer within the Digital Inclusion Team at Good Things Foundation. The digital inclusion officer will undertake work to further the aims and objectives of the LDSP Delivery Group. This includes providing secretariat services to the Delivery Group and assisting with the co-creation of the LDSP framework by Delivery Group members, DCMS, and local partners.
ThinkForward	4	The development of a digital tool that will support delivery organisations in their development of social impact bonds.
Kingston Voluntary Action (Superhighways project)	2	Superhighways is a Kingston Voluntary Action project that supports small local charities and community groups in London to do more with digital. They work via local infrastructure organisations to co-design services and reach those who need support. To expand their existing training, aimed at charity CEOs and Trustees of small organisations with less than £1.5m turnover, Superhighways would partner with London Plus, NAVCA and the FSI. Training covers everything from basic software skills through to helping leaders understand how to improve their organisational strategy by embedding digital tools and services.
