

THE EMPLOYMENT TRIBUNAL

Claimant Mr P Sridhar

Respondent Kingston Hospital NHS Foundation Trust and Others

JUDGMENT

The claimant's application dated 26 November 2022 for reconsideration of the costs judgment sent to the parties on 15 November 2022 is refused.

REASONS

1. There is no reasonable prospect of the original decision being varied or revoked.
2. A large part of the application is an attempt to re-argue matters raised during the liability hearing. The liability decision is already going through the appeal process and it is not appropriate to now raise those issues by way of reconsideration.
3. In relation to the costs hearing, at which the claimant was represented by counsel, the tribunal took into account the evidence called and the submissions made by the parties, and its conclusions are set out in the detailed reasons. The arguments set out in the reconsideration application do not disclose any arguable basis to reconsider the judgment.
