Aspect	Details
Images	
Alert Number	2212-0005
Product Type	Electrical appliances and equipment – EV charging cable
Product Identifiers	ASIN: B08X4FNJYM
Product Description	EV charging cable supplied in a black round zip bag with a picture of a green car and brand “Flynsu” printed on
Country of Origin	Not specified
Counterfeit	Unknown
Risk Type	Electric shock, burns
Risk Level	Serious
Risk Description	The product presents a risk of electric shock and burns as the sample tested failed to meet the requirements of BS EN 62752:2016+A1:2020. There is a risk of electric shock due to the failure of the sample to meet the RCD test requirements of Clause 9.7. There is also a risk of overheating due to the PWM output exceeding the maximum current of 13A plug and the failure of the plug to meet the requirements of BS 1363-1. As a result of the above failures, the product does not meet the requirements of The Electrical Equipment (Safety) Regulations 2016.
Corrective Measures	OPSS is requiring the recall of the product
