Alert Number	2212-0016
Product Type	Toys - Montessori Toy
Product Identifiers	AliExpress item no: 1005004384104057
Product Description	Fidget toy comprising polymer strands in various colours
Country of Origin	China
Counterfeit	Unknown
Risk Type	Asphyxiation
Risk Level	Medium
Risk Description	The product presents an asphyxiation risk as the polymer cords have lengths of 295mm to 400mm, all more than the 220mm limit. A young child playing with the toy may get entangled in the cord and it may tighten around their neck, restricting the oxygen flow to the child's brain. The product does not meet the requirements of the Toys (Safety) Regulation 2011.
Corrective Measures	Withdrawal of the product from the market
Online Marketplace	AliExpress – The listing has been removed by the online marketplace
Notifier	Office for Product Safety and Standards
