

Thermomix TM6 Measuring Cup Instructions	
Aspect	Details
Images	
Alert Number	2211-0142
Product Type	Measuring instruments – Measuring cup
Product Identifiers	Thermomix TM6 measuring cup supplied with the Thermomix TM6 appliance and which can also be used with the Thermomix TM5 appliance.
Product Description	Thermomix is a multi-purpose kitchen appliance with functions that include weighing, mixing, chopping, milling, kneading, blending, steaming, cooking, beating, precise heating, stirring and emulsifying.
Country of Origin	Germany
Counterfeit	No
Risk Type	Burns
Risk Description	In rare cases, when the TM6 measuring cup is inserted into the Thermomix TM5 or TM6 and the cooking temperature is set to exceed 95°C / 200°F, excess pressure can build in the mixing bowl causing the sudden spillage of hot food, leading to increased risk of burns. This risk is increased when the recommended fill level (as set out in the instructions and indicated on the inside of the mixing bowl) is exceeded. There have been 36 incidents reported to the company worldwide.
Corrective Measures	Thermomix have issued a safety notice to warn consumers of the risks. For more information, please see: http://newsletter.vorwerk.co.uk/i/U0BeUHLba2VmwsIGkr98bfJazffr8iVJQq6hxp440_g8poga8oMehA
