Product Description	Laundry detergents, fabric conditioners, stain solutions, household cleaners, dish liquid products sold in various sizes and container styles.
Country of Origin	United States
Counterfeit	No
Risk Type	Microbiological
Risk Description	The recalled products can contain bacteria, including Burkholderia cepacia complex, Klebsiella aerogenes and multiple different species of Pseudomonas, many of which are environmental organisms found widely in soil and water, and some may also be found in humans. People with weakened immune systems, external medical devices, and underlying lung conditions who are exposed to the bacteria face a risk of serious infection that may require medical treatment. The bacteria can enter the body if inhaled, or through the eyes or a break in the skin. People with healthy immune systems are usually not affected by the bacteria.
Corrective Measures	The product has been recalled by end users. For more information, please see: https://www.thelaundressrecall.com/
