Part II: Certification

**II. Health information**

II.a. Certificate reference no

.....

I, the undersigned veterinary officer, certify that:

The animal(s) has/have been bred in captivity and have been kept in captivity since birth/hatch.

The animal(s) have been examined within 24 hours prior to departure and showed no clinical signs of disease and was/were fit to travel.

This certificate is valid for 10 days from the date of signature.

The colour of the stamp and signature must be different from that of the other particulars in the certificate.
