

## Acquisition by Cochlear Limited of the hearing implants division of Demant A/S

## **TERMS OF REFERENCE**

- 1. In exercise of its duty under section 33(1) of the Enterprise Act 2002 (the **Act**) the Competition and Markets Authority (**CMA**) believes that it is or may be the case that:
  - (a) arrangements are in progress or in contemplation which, if carried into effect, will result in the creation of a relevant merger situation, in that:
    - enterprises carried on by Cochlear Limited will cease to be distinct from the enterprise consisting of the hearing implants division (**Oticon Medical**) carried on by Demant A/S; and
    - (ii) the condition specified in section 23(2)(b) of the Act is satisfied; and
  - (b) the creation of that situation may be expected to result in a substantial lessening of competition within a market or markets in the United Kingdom for goods or services, including the supply of bone conduction solutions.
- 2. Therefore, in exercise of its duty under section 33(1) of the Act, the CMA hereby makes a reference to its chair for the constitution of a group under Schedule 4 to the Enterprise and Regulatory Reform Act 2013 in order that the group may investigate and report, within a period ending on 5 June 2023, on the following questions in accordance with section 36(1) of the Act:
  - (a) whether arrangements are in progress or in contemplation which, if carried into effect, will result in the creation of a relevant merger situation; and
  - (b) if so, whether the creation of that situation may be expected to result in a substantial lessening of competition within any market or markets in the United Kingdom for goods or services.
