Subject: Re Proposed development on land west of Thaxted Rd, Saffron Walden

Dear Sirs,

I hope that it is still possible to voice objections for this proposed development. We feel this town cannot cope with 170 more new homes as we will need more doctors/ school/ dentists etc & this area is already busy with another new estate Poppy Fields & all Knights Park traffic.

We are loosing all our lovely surrounding fields & countywide & the area is changing far too much compared to when we moved here in 1985.

There has already been plenty of other building already in the town by Tesco & up on the Ashdod Road area too we cannot squeeze in anymore new houses with the ever increasing demand on current facilities.

I do not understand in the local Reporter why it's a Government application & bypasses the local planning dept. and I sincerely hope lots of other people object too.

Please NO MORE large developments in Saffron Walden as our services will not cope.

Yours faithfully

Sarah McRandal
