Dear REDACTED,

REQUEST FOR INFORMATION: Defra Pay Settlement 2021/22

Thank you for your request for information of 5 December 2022 about pay for Defra. We have handled your request under the Freedom of Information Act 2000 (FOIA).

Your information request and our response are set out below.

1. *Please state the effective date (day and month) of your organisation's 2022/23 pay review.*

The Defra Pay Bargaining Unit (PBU) pay settlement date is 1 July 2022.

2. *If the 2022/23 pay review has yet to be finalised please state the month in which you anticipate it will be concluded.*

Consolidated salary increases and performance awards were paid in October.

3. *Please state the employee group/s covered by the 2022/23 pay review.*

The Defra PBU covers Defra, the Animal and Plant Health Agency, the Rural Payments Agency, and the Veterinary Medicines Directorate.

4. *Please state the total number of employees covered by the 2022/23 pay review.*

The information requested is available at the link below:

<https://www.gov.uk/government/publications/defra-workforce-management-information-july-2022>

As the information is reasonably accessible to you by other means, section 21 of the FOIA exempts Defra from providing a copy of the information with this response to your request.

5. *Please provide a copy of your 2022/23 pay agreement (if applicable) or generic pay circular sent to employees (that is one that does not identify any individual employee) outlining the outcome of the latest pay review if there are no collective negotiations.*

The Defra PBU pay review is determined as a result of collective bargaining with unions. Communication issued to staff is attached at Annex C.

6. *Please state the % consolidated basic pay rise received by the lowest-paid adult (aged 18 and over) employee as a result of the 2022/23 pay review* excluding the effect of any incremental progression, merit pay or bonuses.*

Employees in the lowest two pay ranges received an uplift of 4%, fully consolidated into base pay. The lowest paid adult would be on the National AA pay range, where an uplift of 4% from £20,828 would represent £833.

7. *If an employee's annual pay award is determined solely according to an assessment of their individual performance (commonly known as a merit increase) as opposed to an across-the-board pay rises (where all employees generally receive the same increase irrespective of their individual performance) please state the percentage of the paybill allocated to fund these awards, the range of increases and whether or not the awards are consolidated.*

Base pay increases in Defra are not impacted by performance for any employees

8. *If any employees were eligible for individual performance-related payments or bonuses over and above the general pay rise please state the range of increases (either as a percentage of their base salary or a cash amount as applicable), whether or not they were consolidated into basic pay and please state the overall % of the paybill allocated to fund these awards.*

Annex C attached sets out the values that were paid. The percentage of paybill allocated to performance payments in the Defra PBU is 2% of paybill. These were one off non-consolidated payments

9. *Please state the overall paybill increase as a result of the latest pay review expressed as a percentage of the paybill.*

The 2022 pay review represented an increase of 3% of paybill, consisting of 2% as a basic award and 1% to address pay gaps and equality.

10. *Please state the name of the union/unions party to your main collective agreement covering pay and conditions if there are collective negotiations.*

The collective agreement covering pay and conditions for Defra PBU includes Public and Commercial Services Union (PCS), Prospect and FDA.

11. *Please provide the name and contact details of the person/s responsible for overseeing your organisation's annual pay review.*

The pay review is the work of the Reward team rather than one individual. Contact details below:
