

Belling Cookcentre and Farmhouse 60cm Gas Cookers	
Aspect	Details
Images	N/A
Alert Number	2212-0109
Product Type	Gas appliances and components – gas cookers
Product Identifiers	See list of affected models below. Consumers can check if they have one of the affected appliances by opening the door of the main oven and locating the data badge on the front lower panel. Here you will find the Model number (a nine-digit number, starting with 4444) and the eight-digit serial number.
Product Description	60cm Belling Gas Cookers
Country of Origin	United Kingdom
Counterfeit	No
Risk Type	Asphyxiation
Risk Level	Serious
Risk Description	Products in scope of the corrective action have been identified as presenting a serious risk of asphyxiation due to the potential for carbon monoxide leaks. An incorrect part may have been fitted to the flue pipe at the rear of these appliances, which could hamper ventilation. It is possible for extremely dangerous levels of carbon monoxide to be produced, which can pose a significant risk to health and death. The product does not meet the requirements of the Gas Appliances (Enforcement) and Miscellaneous Amendments Regulations 2018.
Corrective Measures	Engineers will need to inspect the appliance and replace affected parts if necessary before use of the oven can commence. Consumers must not use the oven until this inspection has taken place. Further information, including instructions on how to contact Belling to arrange an inspection, are available at the following link: https://www.belling.co.uk/sites/g/files/emiiian401/files/2021-02/Belling%20Website%20Safety%20Notice%20-%2060cm%20Mini%20Range%20Cookers.pdf
