Alert Number	2212-0069
Product Type	Electrical appliances and equipment - Ultrasonic Cleaner
Product Identifiers	Model: TH-304 XN
Product Description	Large ultrasonic cleaner with a blue front plate
Country of Origin	China
Counterfeit	Unknown
Risk Type	Electric shock
Risk Level	Serious
Risk Description	The product presents a serious risk of electric shock as the earthing arrangement on this appliance was considered inadequate. The earth wire was too small and under the test conditions of clause 27.5, the insulation started to burn. The endcaps were insecurely fixed as they had been simply pushed on, trapping the fuse wire alongside the barrel. Additionally, the fuse had not been supplied with any granular filler. The filler is required to ensure the safe operation of the fuse under fault conditions. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.
Corrective Measures	The import has been rejected at the border
