

11 Dual Electric Scooter

Aspect	Details
Images	
Alert Number	2210-0036
Product Type	Machinery – E-Scooter
Product Identifiers	Black with red electric scooter 72V 32AH. Model: X11-Dual (from packaging) Charger: Shenzhen Gojusin
Product Description	Red and black electric scooter with stand and power supply.
Country of Origin	China
Counterfeit	Unknown
Risk Type	Injuries
Risk Level	Serious
Risk Description	The product presents a serious risk of injuries as it can reach excessively high speeds of 40-60 kph, in excess of the maximum permissible speed. This can lead the scooter to become unsteady and make it easy for the rider to fall off, presenting a risk of serious injuries should this happen at speed. The product also did not have height adjustable handlebars, making it possible for the user (particularly taller users) to lose control and catch their limbs/items of clothing, leading to instability. It was also possible for the scooter to be powered while the charging cable was connected and providing power, which could lead to damage to the battery charger / scooter. The product also required improvements to markings, labelling and documentation. The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008.
Corrective Measures	The product has been destroyed at the border.
