BUSINESS IMPACT TARGET: SUMMARY REPORT

Non-qualifying Regulatory Provisions (NQRP)
summary report

Regulator: The Office of Product Safety and Standards

Business Impact Target Reporting Period Covered: 17 December 2021 - 16 December 2022

Excluded Category*	Summary of measure(s), including any impact data where available**
Measures certified as being below <i>de minimis</i> (measures with an EANDCB below +/- £5 million)	<p data-bbox="609 441 1391 562">Extension of Primary Authority in England to cover relevant enactments made under Part 2A of the Public Health (Control of Disease) Act 1984.</p> <p data-bbox="609 593 1391 1010">The draft SI <u>updates</u> the list of legislation that primary authorities can provide assured advice on to include regulations made under Part 2A of the Public Health (Control of Disease) Act 1984. Primary Authority provides a number of benefits to businesses and society and the effect of this SI is estimated to provide an expected net benefit for business in England at approximately £20.9m over 2021-2030. Therefore, the net present value of its impact is estimated under +/- £5m a year.</p> <p data-bbox="609 1041 1391 1122">The Toys and Cosmetic Products (Restriction of Chemical Substances) Regulations 2022</p> <p data-bbox="609 1153 1391 1485">The objective of this Instrument is to prohibit or restrict the use of specific chemicals in certain toys and cosmetic products, following scientific assessment that they pose an unacceptable risk to human health. As a result of technical changes being made, some businesses will incur a cost as a result of this change in legislation, the value of which is expected to be less than £5m a year.</p> <p data-bbox="609 1516 1391 1727">The Product Safety and Metrology etc. (Amendment) Regulations 2021 <u>[Please note, following further consideration, this draft SI is to be considered as part of the previous year's report (2020-21)].</u></p> <p data-bbox="609 1758 1391 1973">SI that extends the UK's acceptance of certain products meeting EU requirements and markings until 31 December 2022 and existing business easements on labelling to 31 December 2023). Costs of applying these extensions were found to be De Minimis (costs of £2.6m p.a.)).</p>

Excluded Category*	Summary of measure(s), including any impact data where available**
Fines and Penalties	OPSS publishes a list of its statutory Enforcement Actions which is updated on a six-monthly basis. There have been no changes to the way OPSS approaches its casework and investigatory activities within this reporting period.
