Dear ██████,

Thank you for your email of 18 July 2022, requesting the following information:

Further to your query, the release certificate that I enquired about is the MOD form 654.

This has been lost since the vehicle was sold but apparently it is required to register the vehicle with DVLA.

Your request has been handled in accordance with the Freedom of Information (FOI) Act 2000. A Date In Service Certificate (DISC) for your vehicle is attached to this response at Annex A. The DISC is the direct replacement for the MOD Form 654 and is used for the same purpose.

If you have any queries regarding the content of this letter, please contact this office in the first instance. If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.gov.uk). Please note that any request for an internal review should be made within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at <https://ico.org.uk/>.

Yours sincerely.
