Dear [REDACTED]

I am writing about your email of 26 August 2022, requesting the following information:

I should be very grateful if you would provide the following in respect of ex-military Land Rover registration 29KK78 and ex-military Land Rover PU37AA

- .dates and details of units to which the vehicle was attached*
- .details and dates of any maintenance, modifications and repairs*
- .any associated documentation in respect of the vehicle*
- .any special attributes of the vehicle.*

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed within the Ministry of Defence (MOD), and I can confirm that information in scope of your request is held. This is attached, as follows:

- Annex A - Ownership History of 29KK78
- Annex B - Fault History of 29KK78
- Annex C – Inspection History of 29KK78
- Annex D – Modification History of 29KK78
- Annex E – Servicing History of 29KK78
- Annex F – Ownership History of PU37AA
- Annex G – Fault History of PU37AA
- Annex H – Inspection History of PU37AA
- Annex I – Modification History of PU37AA
- Annex J – Servicing History of PU37AA

It has proved necessary to withhold some information in accordance with qualified exemptions of the FOI Act. Some of the Modification History of 29KK78 (Annex D), relating to classified equipment or upgrades, has been redacted in accordance with Sections 26(1) (a) and (b) (Defence) and Section 38(1) (a) and (b) (Health and Safety). Section 26 applies

Defence Equipment & Support

to information that if disclosed would or would likely; prejudice the defence of the British Islands or any colony; and/or the capability, effectiveness or security of the Armed Forces of the Crown or any forces cooperating with them. Section 38 applies to information that if disclosed would or would likely; endanger the physical or mental health of any individual; or endanger the safety of any individual. In addition, commercially sensitive information in the Fault Histories of 29KK78 and PU37AA (Annexes B and G) and Modification Histories of 29KK78 and PU37AA (Annexes D and I) relates to contractor repair times, which have been withheld under qualified exemption Section 43(2) (Commercial Interests). Section 43 concerns information which if disclosed would or would likely prejudice the commercial interests of any person (including defence contractors and the public authority holding it).

Under s16 (Advice and Assistance) I can advise that the apparent discrepancy between the date into service of 14 June 2006 for 29KK78 and the owner history going back as far as 26 April 1993 is due to the vehicle date into service recorded on the MERLIN system being reset to match the date on which the vehicle finished going through the Snatch 2 upgrade programme. The date into service for vehicles that went through the upgrade was commonly reset in this fashion to ensure that the vehicle casting limits calculated for these vehicles reflected the life extension and increased value of the vehicles as a result of the upgrade programme. The casting limit for a vehicle was calculated using a combination of the vehicle cost, the vehicle date into service, and the planned life of a vehicle and was calculated automatically by the MERLIN system.

If you have any queries regarding the content of this letter, please contact this office in the first instance. If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.gov.uk). Please note that any request for an internal review should be made within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at <https://ico.org.uk/>.
