Date:
07 October 2022

Dear [REDACTED]

I am writing about your email of 20 September 2022, requesting the following information:

I purchased a Wolf 90 (LT 82 AA) from the British military whilst working in Brunei. When I registered the vehicle in Brunei the Brunei Land Transport agency kept the release papers. Please can you provide the vehicle military history including original build date etc. This may be required should I want to export the vehicle from Brunei in the future.

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOI Act).

A search for the information has now been completed within the Ministry of Defence (MOD), and I can confirm that information in scope of your request is held. The information identified relating to this vehicle is attached at Annex A.

You may wish to note that when the Management of Equipment, Resources, and Liabilities Information Network (MERLIN) database was archived into its current format some data may have been lost or corrupted. You should therefore be cautious that some of the owner history data may be inaccurate.

Under Section 16 (Advice and Assistance) of the FOI Act, I can advise you that you may be asked to provide the disposal paperwork for LT82AA when attempting to export this vehicle or register it in another country. The MOD does not retain copies of this paperwork – sometimes referred to as a MOD Form 654 or MOD F654 – but that it may be possible to issue replacement date into service paperwork. If you require such paperwork in the future, please contact the MOD using the email address above.

If you have any queries regarding the content of this letter, please contact this office in the first instance. If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.gov.uk). Please note that any request for an internal review should be made within 40 working days of the date of this response.

Defence Equipment & Support

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at <https://ico.org.uk/>.

Yours sincerely,

DE&S Policy Secretariat
