Please note that [✂] indicates figures or text which have been deleted or replaced at the request of the parties for reasons of commercial confidentiality.

Background

- A. On 6 December 2021, Carpenter Co. (**Carpenter**) and entities within the Recticel NV/SA (**Recticel**) group entered into a conditional Agreement for Sale and Purchase under which Carpenter proposed to acquire the Recticel Engineered Foams business segment (**REF**) of Recticel (the '**Merger**').
- B. On 18 July 2022, the CMA, in accordance with section 33(1) of the Act, referred the Merger to a group of CMA panel members (the '**Reference**') to determine, pursuant to section 36 of the Act:
 - (i) whether arrangements are in progress or in contemplation which, if carried into effect, will result in the creation of a relevant merger situation; and
 - (ii) if so, whether the creation of that situation may be expected to result in a substantial lessening of competition (**SLC**) in any market or markets in the United Kingdom (**UK**) for goods or services.
- C. On 16 November 2022, the CMA published a final report pursuant to section 38 of the Act (the '**Report**') which concluded that:
 - (i) arrangements are in progress or in contemplation which, if carried into effect, will result in the creation of a relevant merger situation;
 - (ii) the creation of that situation may be expected to result in a SLC in relation to: (i) the supply of comfort foam in the UK; (ii) the supply of technical foam in the UK; and (iii) the supply of converted comfort foam in the UK; and
 - (iii) the CMA should take action to remedy the SLC and any adverse effects resulting from it.
- D. The CMA, having regard to its findings in the Report, requires that Carpenter, or in the alternative, Recticel, divest the Divestment Business and put in place certain related arrangements to facilitate this divestiture (the '**Remedy**').
- E. The implementation of the Remedy will be subject to the following safeguards:
 - (a) the Parties will be subject to regular reporting requirements;

- (b) the Monitoring Trustee appointed in accordance with paragraph 8 will monitor compliance with these Final Undertakings, including the progress of the implementation of the Remedy;
 - (c) the purchaser must be an Approved Purchaser in accordance with the Purchaser Approval Criteria in Annex 3; and
 - (d) these Final Undertakings include provisions enabling the CMA to direct the appointment of a Divestiture Trustee to effect the final disposal of Recticel Limited and the related arrangements in accordance with the conditions set out in paragraph 11.
- F. These undertakings are designed to allow flexibility as to the sequencing of the closing of the Merger and the Final Disposal, therefore certain obligations are imposed on the 'Selling Entity' – that is Carpenter or Recticel, as the case may be.
- G. Now therefore Carpenter, Recticel and Recticel Limited give to the CMA on behalf of themselves and, where relevant their Subsidiaries and Affiliates, the following Final Undertakings pursuant to section 82 of the Act for the purpose of remedying, mitigating or preventing the SLC identified in the Report and any adverse effects resulting from it.

3. Divestiture Undertakings

- 3.1 Each of the Parties gives the following undertakings:
 - (a) to give effect to and implement the Final Disposal within the Divestiture Period having due regard to the findings in the Report and procure that their respective Subsidiaries do all things necessary and within their respective control to ensure the Parties are able to comply with these Final Undertakings;
 - (b) to inform the CMA as soon as practicable, and in any event, within six weeks of the Commencement Date, of a shortlist of potential purchasers of the Divestment Business being drawn up for the CMA’s formal approval against the Purchaser Approval Criteria. This obligation in

paragraph 3.1(b) may be satisfied by Carpenter acting on behalf of all Parties;

- (c) to provide the CMA with sufficient information regarding each potential purchaser for which the Parties seek formal approval from the CMA, having regard to the Purchaser Approval Criteria to enable the CMA to give its approval of that potential purchaser, which shall not be unreasonably withheld. This obligation in paragraph 3.1(c) may be satisfied by Carpenter acting on behalf of all Parties
 - (d) to comply with any written directions given by the CMA under these Final Undertakings and to procure that their Subsidiaries also comply, and to take such steps as may be specified or described in the directions for complying with these Final Undertakings, in particular the appointment of a Divestiture Trustee;
- 3.2 Each of the Parties undertakes that within three Working Days following the commencement of the Divestiture Period, or such other period as may be agreed by the CMA, to provide a timetable setting out the key milestones to ensure completion of the Final Disposal within the Divestiture Period. The CMA will as soon as reasonably practicable either approve this timetable as proposed or require reasonable amendments to it. The Parties shall notify the CMA as soon as reasonably practicable of any material changes or amendments to the timetable as approved by the CMA. This obligation in paragraph 3.2 may be satisfied by Carpenter acting on behalf of all Parties.
- 3.3 In the event that the Parties do not meet or are unlikely to meet a step as set out in the Approved Timetable or are otherwise delayed in implementing the Final Disposal, the Parties undertake to inform the CMA promptly in writing of the occurrence, the reasons for the failure and any remedial steps, but not later than three Working Days from becoming aware that a step in the Approved Timetable has not been or is unlikely to be met. This obligation in paragraph 3.3 may be satisfied by Carpenter acting on behalf of all Parties.
- 3.4 The CMA will advise the Parties whether any potential purchaser is an Approved Purchaser within a reasonable period from the time the CMA concludes it has received sufficient information about the potential purchaser. The CMA will promptly inform the Parties where it considers it has received insufficient information about the potential purchaser.

4.2 The Parties acknowledge that the CMA may choose not to issue Directions immediately upon becoming entitled to do so and recognise that any delay by the CMA in making a written Direction shall not affect the obligations of each of the Parties at such time as the CMA makes any written Direction.

With the consent of the CMA, the reports may be provided through the Monitoring Trustee. The report shall outline the progress the Selling Entity has made towards the Final Disposal, and the steps that have otherwise been taken to comply with these Final Undertakings and shall in particular report on:

- (a) details of the efforts taken by the Selling Entity and its financial advisers to solicit purchasers for the Divestment Business.

- (c) the name, address, email address, contact point and telephone number of each person who has lodged an indication of interest or similar document with (as applicable) Carpenter and Recticel since the publication of the Report and (if applicable) subsequently been short-listed by the Selling Entity as a preferred purchaser;

6. Asset Maintenance Undertakings

- 6.1 Except with the prior written consent of the CMA, each of Carpenter, Recticel and Recticel Limited undertakes that during the Specified Period it will not take any action which might prejudice the Remedy or impair the ability of the Divestment Business and of the Approved Purchaser to compete effectively in the Relevant Markets.

7. Additional Obligations

- 7.1 The Parties each undertake that until the Final Disposal, they will keep the CMA updated of any material developments (and, with the consent of the CMA, such updates may be provided through the Monitoring Trustee) relating to the Divestment Business, which include but are not limited to:
- (a) details of Key Staff (as defined in Annex 5) who leave or join the Divestment Business;

 - (c) all substantial customer volumes won or lost for the Divestment Business including any substantial changes in customers' demand compared to the ordinary course of business in a respective comparable previous period in time;
 - (d) substantial changes in the Divestment Business' contractual arrangements or relationships with key suppliers;
 - (e) the initiation, defence, progress and resolution of any material litigation or regulatory enforcement action; and

Thereafter, each of them will provide similar compliance statements to the CMA (or, with the consent of the CMA, such statements may be provided through the Monitoring Trustee) every two weeks until the Completion Date.
- 7.3 If any of Carpenter, Recticel or Recticel Limited has any reason to suspect that paragraphs 6 or 7 might have been breached, it shall immediately notify the CMA and the Monitoring Trustee appointed in accordance with the terms of paragraph 8.
- 7.4 The CMA may give Directions to a specified person or to a holder of a specified office in any body of persons (corporate or unincorporated) to take specified steps for the purpose of carrying out, or ensuring compliance with, paragraphs 6 or 7 or to do or refrain from doing any specified action in order to ensure compliance with paragraphs 6 or 7. - 8.4 Carpenter shall remunerate and reimburse the Monitoring Trustee for all reasonable costs and professional fees properly incurred in accordance with the terms and conditions of the appointment and in such a way so as not to impede the Monitoring Trustee's independence or ability to effectively and properly carry out its functions.
- 8.5 The following apply:
- (a) the appointment of the Monitoring Trustee and its terms and conditions must be approved by the CMA. Carpenter shall inform the CMA as soon as is reasonably practicable and in any event by no later than two Working Days after the Commencement Date of the identity of the Monitoring Trustee that it proposes to appoint and provide the CMA with draft terms and conditions of appointment. Once the Monitoring Trustee has been approved by the CMA (such approval not to be unreasonably withheld or delayed) and appointed by Carpenter, Carpenter shall provide the CMA with a copy of the agreed terms and conditions of appointment.

- 9.2 If the Monitoring Trustee is removed under paragraph 9.1 above, the Monitoring Trustee may be required to continue in its post until a new Monitoring Trustee is in place to whom the Monitoring Trustee has effected a full handover of all relevant information. The new Monitoring Trustee shall be appointed in accordance with the procedure contained in paragraph 8 above.

- 14.4 This paragraph has effect irrespective of whether, as between each of Carpenter, Recticel, Recticel Limited and its respective legal representatives, the legal representatives in question have or continue to have any authority to accept and acknowledge service on behalf of their client (unless Carpenter, Recticel, or Recticel Limited informs the CMA that its legal representatives have ceased to have authority to accept and acknowledge service on its behalf), and no failure or mistake by Carpenter's, Recticel's or Recticel Limited's legal representatives (including a failure to notify, as applicable, its client, of the service of any document, order, request, notification or other communication) shall invalidate any action taken in respect of these Final Undertakings, including any proceeding or judgment pursuant to these Final Undertakings.

15. Effect of invalidity

- 15.1 Carpenter, Recticel and Recticel Limited each undertakes that should any provision of these Final Undertakings be contrary to law or invalid for any reason, it shall continue to observe the remaining provisions.

The grant of any such extension shall not be unreasonably withheld or delayed.

17. Undertakings given jointly and severally
