Aspect	Details
Images	  
Alert Number	2301-0147
Product Type	Electrical appliances and equipment – Cordless vacuum cleaner
Product Identifiers	Affected model numbers: 2582E The model numbers are visible when the clean water tank is removed
Product Description	Cordless vacuum floor cleaner with water tank
Country of Origin	United States
Counterfeit	No
Risk Type	Fire/burns
Risk Description	It has been identified that some circuit boards inside the Affected Products' battery pack may be susceptible to the creation of localized hot spots. In a small number of cases, this could lead to a risk of the circuit board overheating or catching fire. Consumers are advised to remove their machine from the charging base, turn off the machine and stop using the device, and to contact BISSELL.
Corrective Measures	The product has been recalled from end users. For more information, please see the BISSELL recall page here: https://recall.bissell.com/gb
Online Marketplace	N/A
Notifier	Office for Product Safety and Standards
