[REDACTED]

email: [REDACTED]

Our Reference:
FOI2022/12562
Date:
18 November 2022

Dear [REDACTED]

I am writing about your email of 20 September 2022, requesting the following information:

Could you please provide me with vehicle details, history and service history on this former MOD truck.

It is a MAN SV 6T Flat plat bowman chassis number WMAX60ZZ8AL059451 Military Rego LU13AB.

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOI Act).

Following your subsequent email of 29 October 2022 in which you provided a photograph of the vehicle chassis plate confirming the vehicle registration as LU31AB and the chassis number as WMAX60ZZ8AL059461 another search for the information has been completed within the Ministry of Defence (MOD), and I can confirm that information in scope of your request is held. This is attached, as follows:

- Annex A – Owner History
- Annex B – Fault History (redacted)
- Annex C – Inspection History
- Annex D – Modification History (redacted)
- Annex E – Servicing History

It has proved necessary to withhold some information in accordance with qualified exemptions of the FOI Act. Some of the commercially sensitive information in the Fault History (Annex B) and Modification relates to contractor repair times, which have been withheld under qualified exemption Section 43(2) (Commercial Interests). Section 43 concerns information which if disclosed would or would likely prejudice the commercial interests of any person (including defence contractors and the public authority holding it).

As the exemption is qualified, it was necessary to undertake a Public Interest Test to determine whether the balance for withholding the information outweighs that for disclosure. General arguments in favour of release were that full disclosure would demonstrate the

Defence Equipment & Support

MOD's commitment to openness and transparency; and make the UK Government more accountable to the electorate. The FOI Act also contains a presumption for release. However, reporting the time taken by MOD contractors to rectify fault reports could be used, along with already published contractor information, to reveal market sensitive information, such as hourly labour rates, that would likely allow the company's competitors to exploit when bidding for similar work.

Given the arguments described above, on balance, it was determined that the information should be withheld under Section 43(2) (Commercial Interests). The level of prejudice against release of this exempted information has been set at the higher level of "would" rather than "would be likely to".

You may wish to note that when the Management of Equipment, Resources, and Liabilities Information Network (MERLIN) database was archived into its current format some data may have been lost or corrupted. You should therefore be cautious that some of the owner history data may be inaccurate.

I have also conducted a search for a statement of compliance for LU31AB as requested in your follow-up email; I can confirm that no other information on this vehicle is held.

Under Section 16 (Advice and Assistance) I can advise you that the MOD has not retained a certificate of conformity for this vehicle, but that you may be able to obtain a statement of conformity by contacting the vehicle manufacturer, Rheinmetall MAN Military Vehicles GmbH.

If you have any queries regarding the content of this letter, please contact this office in the first instance. If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.gov.uk). Please note that any request for an internal review should be made within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at <https://ico.org.uk/>.

Yours sincerely,

DE&S Policy Secretariat
