FOI2022/13002

Dear [REDACTED]

I am writing about your email of 06 November 2022, requesting the following information:

I am interested in the history of an ex-military Land rover defender 110 Snatch

I have checked the released MERLIN database and the vehicle service history is not contained in the available published MERLIN extract. Therefore I submit a FOI request for the following information:

- 1) Vehicle military service history (Units served etc, as contained in MERLIN/James)*
- 2) Any Maintenance Records / Work objects related to this vehicle.*

Vehicle Registration: 33kk88

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed within the Ministry of Defence (MOD), and I can confirm that information in scope of your request is held. This is attached, as follows:

- Annex A – Ownership History
- Annex B – Fault History (redacted)
- Annex C – Inspection History
- Annex D – Modification History (redacted)
- Annex E – Servicing History

It has proved necessary to withhold some information in accordance with qualified exemptions of the FOI Act. Some of the Fault and Modification Histories of 33KK88 (Annexes B and D), relating to classified equipment or upgrades, has been redacted in accordance with Sections 26(1) (a) and (b) (Defence) and Section 38(1) (a) and (b) (Health and Safety). Section 26 applies to information that if disclosed would or would likely; prejudice the defence of the British Islands or any colony; and/or the capability, effectiveness or security of the Armed Forces of the Crown or any forces cooperating with

Defence Equipment & Support

them. Section 38 applies to information that if disclosed would or would likely; endanger the physical or mental health of any individual; or endanger the safety of any individual. In addition, commercially sensitive information in the Fault and Modification Histories of 33KK88 relates to contractor repair times, which have been withheld under qualified exemption Section 43(2) (Commercial Interests). Section 43 concerns information which if disclosed would or would likely prejudice the commercial interests of any person (including defence contractors and the public authority holding it).

Given the arguments described above, on balance, it was determined that the information should be withheld under Sections 26(1) (a) and (b) (Defence), Section 38(1) (a) and (b) (Health and Safety), and 43(2) (Commercial Interests). The level of prejudice against release of this exempted information has been set at the higher level of "would" rather than "would be likely to".

You may wish to note that when the Management of Equipment, Resources, and Liabilities Information Network (MERLIN) database was archived into its current format some data may have been lost or corrupted. You should therefore be cautious that some of the owner history data may be inaccurate.

I can advise that no other information on this vehicle is held.

If you have any queries regarding the content of this letter, please contact this office in the first instance. If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.gov.uk). Please note that any request for an internal review should be made within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at <https://ico.org.uk/>.

Yours sincerely,

DE&S Policy Secretariat
