Alert Number	2212-0212
Product Type	Electrical appliances and equipment – LED tube light
Product Identifiers	Brand: Tycolit Model number: BD03
Product Description	LED short tube light.
Country of Origin	China
Counterfeit	Unknown
Risk Type	Electric shock
Risk Level	Serious
Risk Description	<p>The product presents a risk of electric shock as it is inadequately earthed and does not make the consumer aware in the instructions. If the product was to have a fault, there would be no earthing to stop it from becoming live. The LED driver failed the electric strength test. It allowed a flashover when the test voltage was applied between the input and output circuits. The requirements for class II construction had not been met. There was no mention for the need of the installer to provide supplementary insulation. An incorrect installation could leave metal parts separated from live parts only by basic insulation. The instructions supplied with this product were inadequate. They did not contain adequate safety information and details to ensure the correct and safe use and installation of the product. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.</p>
Corrective Measures	Import rejected at the border.
