Alert Number	2301-0003
Product Type	Machinery - Diamond Core Drill
Product Identifiers	Brand: VeVOR Model number: Z1Z-160 Barcode: JGSZKJ8028XZ90001V2
Product Description	Large Diamond Core Water Cooled Drill
Country of Origin	China
Counterfeit	Unknown
Risk Type	Electric Shock
Risk Level	Serious
Risk Description	The product presents a serious risk of electric shock as the product's unreliable earth connection makes it likely that, if the product is misused, the consumer could receive an electric shock. The earthing connection was inadequate as the screw fastening the earth terminal was not in direct contact with the metal casing of the product, only the screw. Instead, it was on the plastic housing. Improvements are required to documentation, markings and labelling. Due to the power ratings the product is not considered suitable for connection to the UK power system with a 13A plug. The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008.
Corrective Measures	Import rejected at the border.
