Our ref: EIR2022/22157  
22 November 2022

Dear [Redacted],

**REQUEST FOR INFORMATION: Analysis of the impact of badger culling on bovine tuberculosis in cattle**

Thank you for your request for information of 28 October 2022 about analysis of the impact of badger culling on bovine tuberculosis in cattle. We have handled your request under the Environmental Information Regulations 2004 (EIRs).

The EIRs apply to requests for environmental information, which is a broad category of information defined in regulation 2 of the EIRs. Public authorities are required to handle requests for environmental information under the EIRs. They give similar access rights to the Freedom of Information Act 2000 (FOIA).

Your information request and our response are set out below.

*Thank you, in that case can you send me the email exchanges between Eleanor Brown and the Press office over the same period.*

We enclose a copy (Annex C) of the only information held, which is a copy of an email between Eleanor Brown and the Defra Press Office between February and March 2022 inclusive in relation to the publication of the paper entitled 'Analysis of the impact of badger culling on bovine tuberculosis in cattle in the high-risk area of England, 2009–2020'.

We have decided that some of the information in Annex C should be withheld under regulations 12(3) and 13(1) and (2A) of the EIRs as the information constitutes personal data relating to persons other than you. These sections exempt personal information from disclosure if that information relates to someone other than the applicant, and if disclosure of that information would breach any of the data protection principles in Article 5(1) of the UK General Data Protection Regulation (GDPR).

We consider that disclosure of this information is likely to breach the first data protection principle, which provides that personal data must be processed lawfully, fairly, and in a transparent manner. Disclosure would not constitute 'fair' processing of the personal data because the information relates to non-SCS members of staff and third parties who are not in public facing roles and would not reasonably have expected their names to be made public.

Information disclosed in response to this EIRs request is releasable to the public. In keeping with the spirit and effect of the EIRs and the government's Transparency Agenda,

this letter and the information disclosed to you may be placed on [GOV.UK](https://www.gov.uk), together with any related information that will provide a key to its wider context. No information identifying you will be placed on the GOV.UK website.

We attach Annex A, explaining the copyright that applies to the information being released to you, and Annex B giving contact details should you be unhappy with the service you have received.

If you have any queries about this letter please contact me.

Yours sincerely

### **Complaints**

If you are unhappy with the service you have received in relation to your request you may make a complaint or appeal against our decision under section 17(7) of the FOIA or under regulation 11 of the EIRs, as applicable, within 40 working days of the date of this letter. Please write to [Redacted], Head of Information Rights via email at [InformationRequests@defra.gov.uk](mailto:InformationRequests@defra.gov.uk) and he will arrange for an internal review of your case. Details of Defra's complaints procedure are on our website.

If you are not content with the outcome of the internal review, section 50 of the FOIA and regulation 18 of the EIRs gives you the right to apply directly to the Information Commissioner's Office (ICO) for a decision. Please note that generally the ICO cannot make a decision unless you have first exhausted Defra's own complaints procedure.

The ICO can be contacted using the following link:
