Dear [Redacted],

REQUEST FOR INFORMATION: Badger Cull Licences and Badger Vaccination Licences 2022

Thank you for your request for information of 19th October about badger cull licences and badger vaccination licences in 2022. We have handled your request under Environmental Information Regulations 2004 (EIRs).

The EIRs apply to requests for environmental information, which is a broad category of information defined in regulation 2 of the EIRs. Public authorities are required to handle requests for environmental information under the EIRs. They give similar access rights to the Freedom of Information Act 2000 (FOIA).

Your information request and our response are set out below.

Please could you tell me how many Badger Cull Licences and how many Badger Vaccination Licences were issued this year, 2022?

Natural England issued 21 new [badger cull licences](#) in 2022. This comprised 11 intensive cull licences and 10 Supplementary Badger Control licences. In May 2022, Defra introduced new and simplified [Licences to cage-trap and mark badgers for bovine TB vaccination](#). To date, 151 individuals have registered as an authorised person under these.

Information disclosed in response to this EIRs request is releasable to the public. In keeping with the spirit and effect of the EIRs and the government's Transparency Agenda, this letter and the information disclosed to you may be placed on GOV.UK, together with any related information that will provide a key to its wider context. No information identifying you will be placed on the GOV.UK website.

We attach Annex A, explaining the copyright that applies to the information being released to you, and Annex B giving contact details should you be unhappy with the service you have received.

If you have any queries about this letter please contact me.

Yours sincerely
