Your request has been handled in accordance with the Freedom of Information (FOI) Act 2000.

A search of Ministry of Defence (MOD) records has been completed and information about your vehicle has previously been published; Section 21(1) of the FOI Act provides that information is exempt if it is reasonably available by other means. The Merlin archive was released as part of a previous FOI request and can be accessed at the Government publications website, at the following:

<https://www.gov.uk/government/publications/foi-responses-published-by-mod-week-commencing-09-july-2018>

Under Section 16 (Advice and Assistance) of the FOI Act, I can advise you that the database in the above link is split into seven spreadsheets. The first has a list of vehicles, while sheets two through seven include the service histories. To search for a vehicle, you must press Ctrl + F on your computer keyboard, then select 'Options' and then select 'Workbook' from the 'Within' drop down list. Information relevant to your request can be found by typing the vehicle registration number (**36ET82**) and pressing 'enter'. For ease of reference, details of your vehicle can be found in the first attachment "Merlin 2.0 attachment 1", at row 86040, and the third attachment, "Merlin 2.0 attachment 3" at rows 165071 to 165075.

I can confirm, there are no records held in the Joint Asset Management and Engineering Solutions database regarding this vehicle.

You may wish to note that when the Merlin database was archived into its current format some data may have been lost or corrupted. You should, therefore, be cautious that some of the data may be inaccurate.

You may also wish to contact the Royal Logistic Corps Museum who might be able to assist your research further. The contact details for the museum are below. It is, however, possible that the Museum may charge to use its services.
