Alert Number	2208-0056
Product Type	Electrical appliances and equipment - Charger
Product Identifiers	Brand: Niluoya Model number: HC68A ASIN: B08CRF7KD8
Product Description	A white dual port charger plug with two USB ports.
Country of Origin	Unknown
Counterfeit	Unknown
Risk Type	Electric shock
Risk Level	High
Risk Description	The product poses a high risk of electric shock as there is poor insulation and inadequate creepage and clearance. There was also no triple insulation wire used in the transformer. Electrical insulation between mains / accessible parts may degrade over time as creepage & clearances distances are insufficient (measured 0.6mm). The product also failed the electric strength test at 3000V and was not supplied with all of the required documentations and markings. The product does not comply with the Electrical Equipment (Safety) Regulations 2016.
Corrective Measures	OPSS are requiring the recall of the product from end users.
