ARTICLE 5

Readmission of third-country nationals and stateless persons

1. The United Kingdom shall readmit, upon application by Georgia and without further formalities other than those provided for in this Agreement, all third-country nationals or stateless persons who do not, or who no longer, fulfil the conditions in force for entry into, presence in, or residence on, the territory of Georgia provided that it is proved, or may be validly assumed on the basis of prima facie evidence furnished, that such persons:

SECTION III **READMISSION PROCEDURE**

ARTICLE 6

Principles

1. Subject to paragraph 2, any transfer of a person to be readmitted on the basis of one of the obligations contained in Articles 2 to 5 shall require the submission of a readmission application to the competent authority of the Requested State.
2. If the person to be readmitted is in possession of a valid travel document or identity card the transfer of such person can take place without the Requesting State having to submit a readmission application or written communication, as referred to in Article 11(1), to the competent authority of the Requested State.

3. Without prejudice to paragraph 2, if a person has been apprehended in the border region (including airports) of the Requesting State after illegally crossing the border coming directly from the territory of the Requested State, the Requesting State may submit a readmission application within 2 days following that person's apprehension (accelerated procedure).

ARTICLE 7

Readmission application

1. To the extent possible, the readmission application is to contain the following information:

- (a) the particulars of the person to be readmitted (e.g. given names, surnames, date of birth, and – where possible – place of birth, and the last place of residence) and, where applicable, the particulars of minor unmarried children and/or spouses;
- (b) in case of own nationals, an indication of the means with which proof or prima facie evidence of nationality will be provided;
- (c) in case of third-country nationals and stateless persons, an indication of the means with which proof or prima facie evidence of the conditions for the readmission of third-country nationals and stateless persons and unlawful entry and residence will be provided;
- (d) a photograph of the person to be readmitted;
- (e) fingerprints.

2. To the extent possible, the readmission application shall also contain the following information:

- (a) a statement indicating that the person to be transferred may need help or care, provided the person concerned has explicitly consented to the statement;
- (b) any other protection, security measure or information concerning the health of the person, which may be necessary in the individual transfer case.

3. A common form to be used for readmission applications is attached as Annex 5 to this Agreement.

4. A readmission application may be submitted by any means of communication, not excluding electronic means.

ARTICLE 8

Means of evidence regarding nationality

1. Proof of nationality pursuant to Article 2(1) and Article 4(1) can be furnished in particular through the documents listed in Annex 1 to this Agreement, including documents the validity of which has expired by up to 6 months. If such documents are presented, the United Kingdom and Georgia shall mutually recognise the nationality without further investigation being required. Proof of nationality cannot be furnished through false documents.

2. Prima facie evidence of nationality pursuant to Article 2(1) and Article 4(1) can be furnished in particular through the documents listed in Annex 2 to this Agreement, even if their period of validity has expired. If such documents are presented, the United Kingdom and Georgia shall deem the nationality to be established, unless they can prove otherwise. Prima facie evidence of nationality cannot be furnished through false documents.

3. If none of the documents listed in Annexes 1 or 2 can be presented, or if they are insufficient, the competent diplomatic and consular representations of the Requested State concerned shall, upon a request from the Requesting State which is included in the readmission application, make arrangements to interview the person to be readmitted without undue delay, at the latest within 4 working days from the date of receipt of the readmission application, in order to establish his or her nationality. The procedure for such interviews may be established in the implementing Protocol provided for in Article 19 of this Agreement.

ARTICLE 9

Means of evidence regarding third-country nationals and stateless persons

1. Proof of the conditions for the readmission of third-country nationals and stateless persons laid down in Article 3(1) and Article 5(1) shall be particularly furnished through the means of evidence listed in Annex 3 to this Agreement; it cannot be furnished through false documents. Any such proof shall be mutually recognised by the United Kingdom and Georgia without any further investigation being required.

2. Prima facie evidence of the conditions for the readmission of third-country nationals and stateless persons laid down in Article 3(1) and Article 5(1) shall be furnished in particular through the means of evidence listed in Annex 4 to this Agreement; it cannot be furnished through false documents. Where such prima facie evidence is presented, the United Kingdom and Georgia shall deem the conditions to be established, unless they can prove otherwise.

3. The unlawfulness of entry, presence or residence shall be established by means of the travel documents of the person concerned in which the necessary visa or other residence permit for the territory of the Requesting State are missing. A statement

by the Requesting State that the person concerned has been found not having the necessary travel documents, visa or residence permit shall likewise provide prima facie evidence of the unlawful entry, presence or residence.

ARTICLE 10

Time limits

1. The application for readmission must be submitted to the competent authority of the Requested State within a maximum of 6 months after the Requesting State's competent authority has gained knowledge that a third-country national or a stateless person does not fulfil, or no longer fulfils the conditions in force for entry, presence or residence. Where there are legal or factual obstacles to the application being submitted on time, the time limit shall, upon request by the Requesting State, be extended but only until the obstacles have ceased to exist.

2. A readmission application must be replied to in writing:

(a) within 2 working days if the application has been made under the accelerated procedure (Article 6(3)); or

(b) within 12 calendar days in all other cases.

This time limit begins to run from the date of receipt of the readmission request. If there is no reply within this time limit, the transfer shall be deemed to have been agreed to.

3. Reasons for the refusal of a readmission request shall be given in writing.

4. After agreement has been given or, where appropriate, after expiry of the time limits laid down in paragraph 2, the person concerned shall be transferred within 3 months. On request of the Requesting State, this time limit may be extended by the time taken to deal with legal or practical obstacles.

ARTICLE 11

Transfer modalities and modes of transportation

1. Without prejudice to Article 6(2), before returning a person, the competent authorities of the Requesting State shall notify in writing at least 3 working days in advance the competent authorities of the Requested State regarding the transfer date, the point of entry, possible escorts and other information relevant to the transfer.

2. Transportation may take place by air or land. Return by air shall not be restricted to the use of the national carriers of the United Kingdom or Georgia and may take place by using scheduled or, in case of nationals of the Requested State, charter

flights. In the event of escorted returns, such escorts shall not be restricted to authorised persons of the Requesting State, provided that they are persons authorised by the United Kingdom or Georgia.

ARTICLE 12

Readmission in error

The Requesting State shall take back any person readmitted by the Requested State if it is established within a period of 6 months, and in case of third-country nationals or stateless persons 12 months, after the transfer of the person concerned, that the requirements laid down in Articles 2 to 5 of this Agreement are not met.

In such cases the procedural provisions of this Agreement shall apply *mutatis mutandis* and all available information relating to the actual identity and nationality of the person to be taken back shall be provided.

SECTION IV TRANSIT OPERATIONS

ARTICLE 13

Principles

1. The United Kingdom and Georgia should restrict the transit of third-country nationals or stateless persons to cases where such persons cannot be returned to the State of destination directly.

2. The United Kingdom shall allow the transit of third-country nationals or stateless persons if Georgia so requests, and Georgia shall allow the transit of third-country nationals or stateless persons if the United Kingdom so requests, if the onward journey in possible other States of transit and the readmission by the State of destination is assured.

3. Transit can be refused by the United Kingdom or Georgia:

- (a) if the third-country national or the stateless person runs the real risk of being subjected to torture or to inhuman or degrading treatment or punishment or the death penalty or of persecution because of his race, religion, nationality, membership of a particular social group or political conviction in the State of destination or another State of transit;
- (b) if the third-country national or the stateless person shall be subject to criminal sanctions in the Requested State or in another State of transit; or
- (c) on grounds of public health, national or state security, public order or other

national interests of the Requested State.

4. The United Kingdom or Georgia may revoke any authorisation issued if circumstances referred to in paragraph 3 subsequently arise or come to light which stand in the way of the transit operation, or if the onward journey in possible States of transit or the readmission by the State of destination is no longer assured. In this case, the Requesting State shall take back the third-country national or the stateless person, as necessary and without delay.

ARTICLE 14

Transit procedure

1. An application for transit operations must be submitted to the competent authority of the Requested State in writing and is to contain the following information:

- (a) type of transit (by air or land), possible other States of transit and intended final destination;
- (b) the particulars of the person concerned (e.g. given name, surname, maiden name, other names used/by which known or aliases, date of birth, sex and – where possible – place of birth, nationality, language, type and number of travel document);
- (c) envisaged point of entry, time of transfer and possible use of escorts;
- (d) a declaration that in the view of the Requesting State the conditions pursuant to Article 13(2) are met, and that no reasons for a refusal pursuant to Article 13(3) are known of.

A common form to be used for transit applications is attached as Annex 6 to this Agreement.

2. The Requested State shall, within 5 calendar days of receipt of the application and in writing, inform the Requesting State of the admission, confirming the point of entry and the envisaged time of admission, or inform it of the admission refusal and of the reasons for such refusal.

3. If the transit operation takes place by air, the person to be readmitted and possible escorts shall be exempted from having to obtain an airport transit visa.

4. The competent authorities of the Requested State shall, subject to mutual consultations, assist in the transit operations, in particular through the surveillance of the persons in question and the provision of suitable amenities for that purpose.

5. Transit of the persons shall be carried out within 30 days of receipt of consent on the request.

SECTION V
COSTS

ARTICLE 15

Transport and transit costs

Without prejudice to the right of the competent authorities to recover the costs associated with readmission from the person to be readmitted or third parties, all transport costs incurred in connection with readmission and transit operations pursuant to this Agreement as far as the border of the State of final destination shall be borne by the Requesting State.
