Product Type	Toys – Magnetic Blocks
Product Identifiers	ASIN: B09GB2KZ6S
Product Description	A set of eighteen rainbow-coloured oblong shaped magnets
Country of Origin	China
Counterfeit	Genuine
Risk Type	Injuries
Risk Level	High
Risk Description	The product presents a high risk of injury to its intended users, young children. This is due to the magnetic balls being small parts that could be ingested by a child. When tested, the magnets were found to have a magnetic flux index greater than the limit of 50 kG2mm2. If the product is ingested, as the magnets pass through the body, they are drawn to each other on either side of soft tissue, causing the user to receive serious internal injuries. The product does not comply with the Toys (Safety) Regulations 2011.
Corrective Measures	Recall of the product from end users
