

EMPLOYMENT TRIBUNALS

Claimant: Ms S Kemsley

Respondent: Cambridgeshire County Council

JUDGMENT

The claimant's application dated 25/8/2022 first seen by Employment Judge Postle on 29/12/2022 for reconsideration of the judgment sent to the parties on 4 August 2022 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked, because The Claimant's application disputes the Tribunal findings of facts which were unanimously found on the evidence before the Tribunal.
