Product Type	Electrical appliances and equipment - Garden Spike Light Fixture
Product Identifiers	Model number: JP-7408 Amazon ASIN's: X00110GJA1, FBA15GJBVFCVU000034, 424765 SKU: HB19026UK
Product Description	A black outdoor use garden light with a spike for securing it into the ground.
Country of Origin	China
Counterfeit	Unknown
Risk Type	Electric Shock
Risk Level	Serious
Risk Description	<p>The product presents a serious risk of electric shocks as the luminaire was inadequately earthed and the clamping was not adequately secured against loosening. Overtime, the clamping could become loose, meaning that because of the lack of earthing, the user would receive a mains voltage electric shock if they were to touch the metal part of the lamp. Additionally, the supply cords had not been fully entered into the luminaire, giving the consumer access to the basic insulation. The insulation was basic and could easily expose the wiring, which could also give the consumer an electric shock. The instructions were considered to be inadequate as they did not contain sufficient information to ensure the correct and safe use of the equipment. The product was also missing some required documentation and markings.</p> <p>The product does not comply with the Electrical Equipment (Safety) Regulations 2016.</p>
Corrective Measures	Import rejected at the border.
