

EMPLOYMENT TRIBUNALS

Claimant: Mr C Ellis

Respondent: Chancellors Group of Estate Agents
Limited

JUDGMENT

The claimant's application for a re-consideration of the Judgment sent to the parties on the 9 September 2022 is dismissed.

REASONS

1. The claimant's emails of the 7 October 2022 and the 21 December 2022 are treated as though they are an application for a reconsideration. The claimant's application for a reconsideration is refused there is no reasonable prospect of the original decision being varied or revoked because the claimant seeks a re-hearing of the case on the basis that he was not "in a stable mind to carry out the process or the court date for the hearing."
2. At the hearing the claimant did not make an application for a postponement on the grounds that he was unable to conduct the proceedings. The claimant has produced a document which appears to be a letter from a consultant psychiatrist, I have considered the content of this document. There is no evidence that on the date of the hearing the claimant was not able to conduct the proceedings.
