

EMPLOYMENT TRIBUNALS

Claimant: Ms K Parr

Respondent: Bradford District Care NHS Foundation Trust

JUDGMENT

The claimant's application dated **5th February 2023** for reconsideration of the judgment sent to the parties on **20th December 2022 with written reasons on 20th January 2023** is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked, because:

The Claimant was represented at the final hearing where all relevant evidence and submissions were considered over 4 days.

The findings of fact and the conclusions were the unanimous decision of the Tribunal after full and proper deliberation.

The Claimant has not identified any valid basis as to why it would, in these circumstances, be in the interests of justice for the panel to reconvene to reconsider its judgment.
