

EMPLOYMENT TRIBUNALS

Claimant: Mr O Ahmed

Respondent: Afnaan UK Ltd

JUDGMENT

The Claimant's claims are dismissed upon non-attendance pursuant to Rule 47 of the Employment Tribunals (Constitution and Rules of Procedure) Regulations 2013 on the grounds that the claim has not been actively pursued.

REASONS

1. The Claimant failed to attend or be represented at the full hearing of his claim on 13 February 2023. No explanation had been provided and no other application made.
2. Further and in any event, the Respondent company has been dissolved. This means that the Claimant's claim cannot proceed as there is no legal entity in existence against which it can be pursued.
3. The Claimant's claim could only have proceeded if the company is restored to the Register of Companies.
4. Any application to restore the company to the Register should be made to the court and not to the Tribunal. Information on how to do this is available on the Companies House website.
