Subject: Objection to Solar Farm on Land East of Pelham substation, Maggots End Manuden -  
Application number: S62A/2022/0011

I am writing to object to the application to construct a solar farm comprising ground mounted solar arrays together with (among other things) battery storage, inverter cabins, a substation, fencing and CCTV cameras on land near Pelham Substation Maggots End Road Manuden CM23 1BJ

My name is Edvj Massazza-Gal and I live at [REDACTED] The reasons for my objection are as follows:

Country roads can not and should not support such heavy traffic. Many HIV over pollute. Pedestrian, cyclist dog walkers, horse riders will be at unnecessary risk.

The route passes the primary school and pinch points such as near the Fox and hounds as well as my own home.

Regards

E Massazza- Gal
