Subject: Objection to Solar Farm on Land East of Pelham substation, Maggots End Manuden - Application number: S62A/2022/0011

Dear Sirs

We are writing to object to the application to construct a solar farm comprising ground mounted solar arrays together with (among other things) battery storage, inverter cabins, a substation, fencing and CCTV cameras on land near Pelham Substation Maggots End Road Manuden CM23 1BJ

Our names are Richard and Rhona Norden and we live at [REDACTED]
[REDACTED]

The reasons for our objections are as follows:

1. Loss of good quality agricultural land for a project which does not provide sufficient benefit.
2. Prospect of heavy vehicles passing through our village to deliver the individual panels.

Yours faithfully

Richard and Rhona Norden

Richard Norden
