Application number on S62A/22/0006 (and UTT/22/2046/PINS)

I am writing to object to the proposal by Statera to construct a solar farm on 177 acres of land at Berden Hall Farm.

My name is Peter Hewitt

I live at [REDACTED]

The reason for my objection is as follows:

The use of prime arable farmland when other more suitable sites are available.

The destruction of already poor quality local roads by the construction traffic.

Noise generated by the battery storage facility in addition to the noise from the existing facility which was never screened off as per planning requirements.
