Grange Paddock, Ickleton Road, Essex, CB11 4LT

Dear Sir/Madam,

Please do not approve this application at this stage.

You will have heard a lot about our village and the lack of general amenities to support additional residents.

What I would like you to do is collect a list of these requirements and work to resolve them. Please use this planning application as a very positive approach to appreciating our small villages needs to enable future planning applications to be viable.

Thanks,
David
