Alert Number	2209-0122
Product Type	Electrical appliances and equipment – Table luminaire
Product Identifiers	Model number: 9116
Product Description	Silver stand table luminaire with white lampshade and black plug
Country of Origin	China
Counterfeit	No
Risk Type	Electric shock
Risk Description	The product presents a risk of electric shock because the plug and fuse are considered counterfeit. The plug face was found to fit a BS 1363 plug gauge, however it could not be verified as to whether the plug had been assessed against BS 1363 as there was no approval marking present. The fuse did not have any ballast inside; therefore, it is not considered to be genuine BS1362 fuse. It was possible to remove the fuse cap by hand and the fuse wire was not soldered to the cap. The manual supplied was difficult to read due to the poor printed quality, and there were no safety warnings or end of life disposal information as required. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 and the Plugs & Sockets (Safety) Regulations 1994.
Corrective Measures	The product has been recalled from end users. Please see the DreamHome store recall link for more information: https://www.dreamhomestore.co.uk/pages/recall
