Alert Number	2209-0122
Product Type	Electrical appliances and equipment – LED panel light
Product Identifiers	Model 9528
Product Description	White LED square panel light
Country of Origin	China
Counterfeit	No
Risk Type	Electric shock
Risk Description	The product presents a risk of electric shock as it did not require tools to access live parts. The LED controller box had been secured with magnets, the internal PCB featured poor quality soldering with wires soldered directly to the PCB, this could be accessed by hand and had not been secured inside the case. The product also failed the electrical strength test, and a breakdown occurred before full test voltage was applied. The external build quality of the product was also poor, as one of the fitting clips was bent not allowing for it to be used meaning one side is not secured. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.
Corrective Measures	The product has been recalled from end users. Please see the DreamHome store recall link for more information: https://www.dreamhomestore.co.uk/pages/recall
