Dear Sir/Madam		
OBJECTION to Pelham Spring Solar Farm Application No. S62A/2022/0011: Land East of Pelham substation, Mag	ggots End, Manuden	
I am writing to object to the application made by Low Carbon to construct a solar farm comprising ground mounted solar arrays plus battery storage, inverter cabins, a substation, fencing and CCTV cameras on land near Battles Hall Maggots End Road Manuden CM23 1BJ on the grounds that people's enjoyment of the countryside will be negatively affected.		
National Planning policy requires that planning decisions should contribute and local environment by recognising the intrinsic character and beautivider benefits from natural capital and ecosystem services — include benefits of the best and most versatile agricultural land, and of trees and	y of the countryside, and the ing the economic and other	
There are eight local Public Rights of Ways within and immediately adjacone Bridleway and seven Footpaths. I believe that access to open countributese days – it makes a significant contribution to our mental well-being	yside is particularly important	
Walks in or around this industrial development will be ruined by the approximation accept that the impact can be satisfactorily mitigated by planting there is no existing hedgerow.
