Subject: Objection to Solar Farm on Land East of Pelham substation, Maggots End Manuden -
Application number: S62A/2022/0011

I am writing to object to the application to construct a solar farm comprising ground mounted solar arrays together with (among other things) battery storage, inverter cabins, a substation, fencing and CCTV cameras on land near Pelham Substation Maggots End Road Manuden CM23 1BJ

My name is Johnie Parry , and I live at [REDACTED]
[REDACTED] the reasons for my objection are as follows:

The Pelham are a rural idyll close to London and as such must be preserved. This industrialisation of the country side , with a countless increase of traffic, mostly lorries, will ruin this rural haven.

Yours
Johnie parry
