Subject: Objection to Solar Farm on Land East of Pelham substation, Maggots End Manuden -
Application number: S62A/2022/0011

I am writing to object to the application to construct a solar farm comprising ground mounted solar arrays together with (among other things) battery storage, inverter cabins, a substation, fencing and CCTV cameras on land near Pelham Substation Maggots End Road Manuden CM23 1BJ

My name is Peter Hewitt, and I live at [REDACTED].

The reasons for my objection are primarily misuse of prime arable farmland when other sites would be more suitable and the destruction of already poor quality local roads by construction traffic.
