

Isle of Wight Council

| What does the rule relate to? | Rule | Live example (before and after) |
|--------------------------------------|--|--|
| Spatial | All charges were given spatial extents. | Before: A small number of charges had no spatial extents. After: All charges have spatial extents. |
| Categories | All charges have been categorised. | Before: Some charges were not categorised. After: All charges are categorised. |
| Legislation | Most charges were assigned legislation. Their format was aligned with HMLR's requirements. | Before: Some charges had legislation embedded within the descriptions. After: Legislation was extracted from the descriptions and amended to match HMLR's format. |
| Charge creation dates | Charge creation dates were amended to match registration dates. | Before: Most charge creation dates had a default date of 30/12/1899. After: All charge creation dates were aligned with registration dates. |
| Descriptions | Descriptions have been shortened to comply with HMLR's character limit. | Before: Descriptions with an exceeding character limit (1500 characters) were revealed on search results. After: All descriptions have less than 1500 characters. |
| Invalid spatial | Invalid spatial have been fixed. | Before: Some spatial extents had self-intersecting polygons. After: All invalid spatial extents have been amended. |
| Financial charges | All Part 2 financial charges were given rates of interest. | Before: Rates of interest for some Part 2 financial charges were not revealed. After: Rates of interest are revealed for all Part 2 financial charges. |
| Addresses | All charges were given addresses. | Before: A few charges had no addresses. After: Addresses are revealed for all charges. |
