

The London Borough of Haringey Council

What does the rule relate to?	Rule	Live example (before and after)
Number of records revealed	As part of the data cleansing activity, a number of inactive records have been activated which means that now a search on an area could reveal more charges than before, including ones which are not registered recently.	
Reference numbers	During the migration, the practice to standardise the Local Authority reference numbers continued, which means that now a charge can be identified under a different reference number than a few months ago.	<p>Before: The planning application reference number 10556 has been changed to the below</p> <p>After: 50752</p>
