**Welsh Rugby Players Association
Report of Executive Committee
for the Year Ended 31 May 2022**

The Executive Committee presents its report together with financial statements for the year ended 31 May 2022.

Principal Activity

The entity is a trade union for the professional rugby players in Wales.

Business Review

There was a surplus for the period after taxation amounting to £35,150 (2021: Deficit £46,454).

The WRPA has come through the pandemic in a strong position. A 4-year extension with the WRU was agreed in 2021 which will see the core services of the WRPA continue for the next 3 years. In the sporting landscape, most organisations work on a year to year to basis, uncertain of what future revenues will look like. This is not true of the WRPA. The foundations are now firmly in place for continued growth in staffing infrastructure, commercial partners and expanded membership.

The WRPA continued to offer significant support and advice throughout the pandemic. Return to Play protocols, contractual issues, pay disputes, mental health issues were all prevalent issues the WRPA have been central in.

The WRPA is positioned well to tackle issues around brain health, insurance, new game formats and any changes that can impact on professional rugby players in Wales.

Relationships with the key stakeholders in the game are being developed and there is a consistent theme of collaborative working to improve current and former player welfare. As we move forward, it is anticipated that the WRPA will play a crucial role in working with its partners to offer wider solutions and support for academy players, former players and the Women's game.

James King continued to act as Interim CEO upon the departure of Barry Cawte for 8 months until Gareth Lewis was appointed CEO on 13/06/2022.

Welsh Rugby Players Association

Report of Executive Committee for the Year Ended 31 May 2022

Executive Committee Members

Chairman

J King continued in his role as Chairman.

General Secretary

B Cawte resigned from his position as CEO on 8th October 2021. J King was appointed to the position of Acting CEO on the same date until Gareth Lewis was appointed CEO after the year end on 13/06/2022.

Executive Committee's responsibilities for the financial statements

The Executive Committee is responsible for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (Financial Reporting Standard 102).

The Trade Union and Labour Relations (Consolidation) Act 1992 (amended) requires the Executive Committee to prepare an Annual Return for each financial year which gives a true and fair view of the state of affairs of the Association as at the year end and of its transactions for the year then ended.

In preparing the Annual Return, the Executive Committee is required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent; and
- Prepare the Annual Return on a going concern basis unless it is inappropriate to assume that the trade union will continue in operation.

The Executive Committee is responsible for keeping proper accounting records, for safeguarding the assets of the trade union and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Executive Committee is aware:

- There is no relevant audit information of which the trade union's auditor is unaware; and
- The Executive Committee members have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

BY ORDER OF THE EXECUTIVE COMMITTEE

Gareth Lewis
CEO

Dated: 30/01/23

Welsh Rugby Players Association

Statement to Members Issued In Connection With The Welsh Rugby Players Association's Annual Return As Required By Section 32A Of The Trade Union and Labour Relations (Consolidation) Act 1992

for the Year Ended 31 May 2022

Income and expenditure

The total income of the union for the year was £302,149 (2021: £280,646). An agreement with the Welsh Rugby Union has been reached which secures the future funding of the trade union which will allow it to continue its work in line with the Constitution.

The union's total expenditure for the period was £266,999 (2021: £327,100).

This union does not maintain a political fund.

Remuneration paid to the General Secretary, President and Members of the Executive Committee

The General Secretary/Chief Executive/Acting Chief Executives were paid £52,045 (2021: £49,479) for their services.

Irregularity statement

A member who is concerned that some irregularity may be occurring, or has occurred, in the conduct of the financial affairs of the union may take steps with a view to investigating further, obtaining clarification and, if necessary, securing regularisation of that conduct.

The members may raise any such concern with such one or more of the following as it seems appropriate to raise it with: the officials of the union, the trustees of the property of the union, the auditor or auditors of the union, the Certification Officer (who is an independent officer appointed by the Secretary of State) and the police.

Where a member believes that the financial affairs of the union have been or are being conducted in breach of the law or in breach of the rules of the union and contemplates bringing civil proceedings against the union or responsible officials or trustees, he should consider obtaining independent legal advice.

Report of the Independent Auditors to the Members of the Welsh Rugby Players Association for the Year Ended 31 May 2022

Opinion

We have audited the financial statements of the Welsh Rugby Players Association for the year ended 31 May 2022 which comprise the Income and Expenditure account, Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (Financial Reporting Standard 102) 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 May 2022 and of its surplus for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice and the Trade Union and Labour Relations (Consolidation) Act 1992.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The Executive Committee is responsible for the other information. The other information comprises the information included in the Report of the Executive Committee, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Report of the Independent Auditors to the Members of the Welsh Rugby Players Association for the Year Ended 31 May 2022

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Executive Committee for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters if, in our opinion:

- A satisfactory system of control over transactions has not been maintained; or
- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the Executive Committee

As explained more fully in the Report of the Executive Committee on page 1 and 2, the Executive Committee is responsible for the preparation of financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Executive Committee determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Committee is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Committee either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report of the Independent Auditors to the Members of the Welsh Rugby Players Association for the Year Ended 31 May 2022

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We gained an understanding of the legal and regulatory framework applicable to the association and considered the risks of acts by the company that were contrary to applicable laws and regulations, including fraud. We designed audit procedures to respond to the risk, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment.

The laws and regulations that we determined were most significant to the company were FRS 102, the Trade Union and Labour Relations (Consolidation) Act 1992 and tax legislation. We obtained an understanding of how the association is complying with those laws and regulations by making enquiries of the management and those charged with governance, and corroborated these enquiries through our review of board minutes and review of legal and professional spend for the year.

We assessed the susceptibility of the association's financial statements to material misstatement, including how fraud might occur. We addressed the risk of management override of internal controls and assessed the effectiveness of the controls that management has in place to prevent and detect fraud, including testing of manual journals and evaluating the assumptions and judgements made by management in its significant accounting estimates.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

Use of our report

This report is made solely to the association's members, as a body, in accordance with Section 36 of the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the association's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the association and the association's members as a body, for our audit work, for this report, or for the opinions we have formed.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The accounts are prepared under the historical cost convention modified and in accordance with applicable accounting standards (Financial Reporting Standard 102).

The financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Income

Income from player subscriptions is the total amount receivable by the Association from players. Contributions from funding bodies are recognised when agreed amounts are due from the respective bodies. Donations are recognised when received.

Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Development costs are being amortised evenly over their estimated useful life of 3 years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment - 33% straight line
