

EMPLOYMENT TRIBUNALS

Claimant

Respondent

Mrs D Clarkson-James

v

**York & Scarborough Teaching
Hospitals NHS Foundation**

Employment Judge JM Wade in chambers on 17 March 2023

JUDGMENT

The claimant's application dated 13 March 2023 to re-consider the Judgment sent to the parties on 21 November 2022, with reasons on 15 February 2023 is refused.

REASONS

The application is out of time and it is not in the interests of justice to extend time, not least because I consider there are no reasonable prospects of the judgment being varied or revoked on the grounds set out in the application. The reasons for reconsideration submitted by the claimant are without merit. Alleged failures by her solicitor do not render it in the interests of justice to revoke or reconsider the judgment; equally, evidential complaints, including about the format of the hearing, are not grounds to re-consider in all the circumstances of this case. The claimant attaches blame for almost all matters to her own representative and it is not for this Tribunal, nor the respondent, to be put to the resources of addressing those matters, many of which are misconceived in any event.
